

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Robert Brenner
DOCKET NO.: 19-22945.001-R-1
PARCEL NO.: 10-11-403-004-0000

The parties of record before the Property Tax Appeal Board are Robert Brenner, the appellant(s), by attorney Jennifer Burke, of KBC Law Group in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds ***No Change*** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$23,200
IMPR.: \$58,253
TOTAL: \$81,453

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two PINs. The appellant only requested a reduction for PIN 10-11-403-004-0000. This property consists of a 101-year-old, two-story, single-family dwelling of frame and masonry construction with 2,427 square feet of living area. Features of the home include: a full unfinished basement, a fireplace and a 1.5-car garage. The property has a 16,000 square foot site and is located in Evanston, Evanston Township, Cook County. The subject is classified as a class 2-06 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted data and descriptions on four suggested equity comparables located in the area of the subject property.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$69,609. However, the listed total assessment is incorrect. A document submitted by the appellant indicated that in 2019 the board of review finalized the total assessed valuation for the PIN 10-11-403-004-0000 at \$88,864. These are the same amounts as listed in the appellant's evidence and different than the amount in the "Board of Review Notes on Appeal."

The subject's total assessment for PIN 10-11-403-004-0000 is \$88,864. The subject property has an improvement assessment of \$665,640 or \$27.06 per square foot of living area, using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables. They are located within a ¼ mile of the subject with one comparable located within the same subarea of the subject. The improvements were between 91 and 93 years of age and ranged in size from 2,281 to 2,784 square feet of living area and in assessment from \$22.38 to \$24.79 per square foot. . The building assessment per square foot of living area for the comparables submitted by the BOR are lower than the subject's assessment per square foot of living area.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be *the appellant's comparables #2, #3 and #4 and the board of review's comparables*. These comparables had improvement assessments that ranged from \$22.38 to \$25.70 per square foot of living area. The subject's improvement assessment of \$27.06 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
