

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bayani Pahati
DOCKET NO.: 19-23533.001-R-1
PARCEL NO.: 08-09-407-018-0000

The parties of record before the Property Tax Appeal Board are Bayani Pahati, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,695
IMPR.: \$30,283
TOTAL: \$35,978

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 49-year-old, two-story, building of frame and masonry construction containing 2,107 square feet of gross building area. Features of the subject include a partial finished basement and a two-car garage. The property is situated on 9,906 square feet of land in Arlington Heights, Elk Grove Township, Cook County. It is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on 18 suggested comparable sales on many pages of a spreadsheet and in a one-page list. These properties disclosed sale dates and prices but did not include descriptive information other than the size of living and land area and address. The appellant also submitted very limited descriptive information on four suggested properties in the

Grid Analysis but without assessment and date of sale information. The appellant also submitted a two-page list of 13 additional suggested properties that lacked sale and descriptive information. The appellant also submitted a "Comparative Market Analysis" from R.D. Fulk Real Estate that listed three active listings and five sold listings that lacked adequate assessment and descriptive information.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$29,552. The subject's assessment reflects a market value of \$295,520, or \$140.26 per square foot of living area including land, when applying the level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparable properties.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the board of review did not submit sale comparable properties. Although the appellant submitted many suggested comparable properties, they lacked adequate assessment, sale and/or descriptive information for the Board to make meaningful comparisons. Consequently, the Board finds the appellant did not meet the burden of proof by a preponderance of the evidence. An assessment reduction is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
