

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Grazyna Wojtowicz
DOCKET NO.: 19-24302.001-R-1
PARCEL NO.: 08-14-215-023-0000

The parties of record before the Property Tax Appeal Board are Grazyna Wojtowicz, the appellant(s), by attorney Scott Shudnow, of Shudnow & Shudnow, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 6,492
IMPR.: \$54,508
TOTAL: \$61,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family residence of masonry construction. It is situated on a 9,989 square foot site. The improvement is 32 years old and is located in Elk Grove Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$610,000 as of January 1, 2019. The appraiser utilized the sales comparison approaches to value the subject property and indicated the subject property is owner-occupied. The appellant also argued that the assessor overstated the subject's square footage of living area by 117 square feet.

The board of review submitted its "Board of Review-Notes on Appeal" disclosing the total assessment for the subject of \$76,869. The subject's assessment reflects a market value of \$768,690, or \$158.46 per square foot of living area, including land, when applying a 10% level of assessment for Class 2 properties as determined by the Cook County Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three sale comparables, each of which reflected equity data. Based on this evidence, the board of review requested confirmation of the subject's assessment.

The appellant submitted written rebuttal distinguishing the board of review's sale comparables from the subject property.

Conclusion of Law

Initially, the Board finds that the 117 square foot difference in living area is *de minimus*. The proper venue to correct this factor is with the Assessor's office so that a field check may be conducted.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$610,000 as of the assessment date at issue. Since the market value of this parcel has been established, the assessment level of 10% as established by the Cook County Real Property Assessment Classification Ordinance in effect for tax year 2019 shall apply. 86 Ill. Admin. Code § 1910.50(c)(3).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
