

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Louis Virgilio  
DOCKET NO.: 19-24594.001-R-1  
PARCEL NO.: 12-01-302-013-0000

The parties of record before the Property Tax Appeal Board are Louis Virgilio, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,982  
**IMPR.:** \$33,978  
**TOTAL:** \$40,960

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 3,250 square foot parcel of land improved with a 49-year-old, one-story, masonry, single-family dwelling, containing 1,936 square feet of living area. The property is located in Park Ridge, Norwood Park Township, Cook County and is a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation and assessment inequity as the bases of the appeal. In support of its overvaluation argument, the appellant submitted sales information on four comparable properties that sold between April 2016 and August 2018 for prices ranging between \$168.32 to \$220.85 per square foot of living area, including land. The comparable sales properties had one-story dwellings of either frame and masonry or masonry construction and ranged from 1,381 to 2,519 of square feet of living area. The subject property's current total

assessment reflects a market value of \$472,070 and a sale price per square foot of living area of \$243.84.

In support of its assessment inequity argument, the appellant submitted information on four suggested equity comparables. Each were improved with one-story dwellings of masonry construction. They ranged from 1,896 to 1,930 of square feet of living area and in improvement assessment between \$18.97 and \$19.43 per square feet of living area. Appellant also included a copy of the board of review's decision letter reflecting a total assessment for the subject property of \$47,207. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$40,960.

The board of review failed to submit information or evidence in the instant matter. After all extensions expired, the Board provided the board of review with written notice finding the board of review in default and will stating the Board will proceed with the appeal based on the evidence submitted.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's sales comparables #1, #3, and #4. These properties sold between April 2017 and August 2018 for prices ranging between \$168.32 and \$220.85 per square foot of living area, including land. These sales comparables had sales dates closest to the lien year at issue in the instant appeal. The subject's current assessment of \$243.84 per square foot of living area, including land, reflects a market value above the market value established by the best comparables in this record. Based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is warranted. The Board now finds the subject property to be fairly and equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
