

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mike Rumaneh  
DOCKET NO.: 19-24597.001-R-1  
PARCEL NO.: 16-30-231-020-0000

The parties of record before the Property Tax Appeal Board are Mike Rumaneh, the appellant, by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,248  
**IMPR.:** \$8,008  
**TOTAL:** \$15,256

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1-story dwelling of frame construction with 1,024 square feet of living area. The dwelling is 93 years old. Features of the home include a full basement, that has finished area, and a detached 2-car garage. The property has a 7,434 square foot site and is located in Berwyn, Berwyn Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales that are located within the same neighborhood code as the subject. The comparables have sites ranging in size from 3,402 to 7,434 square feet of land area that are improved with class 2-03 dwellings of masonry construction ranging in size from 1,096 to 1,472 square feet of living area. The dwellings range in age from 56 to 95 years old. The

comparables have full basements, one of which has finished area, and a 1-car or 2-car detached garage. One comparable has central air conditioning. The comparables sold from October 2017 to March 2018 for prices ranging from \$91,000 to \$167,000 or from \$83.03 to \$120.32 per square foot of living area, including land. Based on this evidence the appellant requested a reduction in the subject's assessment.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$15,256. The subject's assessment reflects a market value of \$152,560 or \$148.98 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales that are located within the same neighborhood code as the subject. The comparables have 3,780 square foot sites that are improved with class 2-03 dwellings of frame, masonry or frame and masonry construction ranging in size from 1,008 to 1,280 square feet of living area. The dwellings range in age from 19 to 101 years old. The comparables have full basements, two of which have finished area, and a 2-car garage. Two comparable have central air conditioning and one comparable has a fireplace. The comparables sold from September 2017 to August 2019 for prices ranging from \$190,000 to \$240,500 or from \$165.63 to \$209.49 per square foot of living area, including land. Based on this evidence the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted a total of eight comparable sales for the Board's consideration. The Board gives less weight to the appellant's comparables #2 and #3, as well as the board of review's comparables #1, #3 and #4, due to their newer dwellings and/or their sale date occurring greater than 12 months prior to the January 1, 2019 assessment date at issue. The Board finds the parties' remaining comparables are similar to the subject in location, building classification, age, size and most features. These sales also occurred proximate in time to the January 1, 2019 assessment date at issue. The best comparables sold from February to May 2018 for prices ranging from \$91,000 to \$190,000 or from \$83.03 to \$188.49 per square foot of living area, including land. The subject's assessment reflects a market value of \$152,560 or \$148.98 per square foot of living area, including land, which falls within the range established by the best comparable sales in the record. After considering adjustments to the best comparable sales for differences when compared to the subject, the Board finds the subject's estimated market value as reflected by its assessment is supported. Based on this evidence the Board finds a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
