

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Batti Atar
DOCKET NO.: 19-25581.001-C-1
PARCEL NO.: 05-32-305-032-0000

The parties of record before the Property Tax Appeal Board are Batti Atar, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$52,234
IMPR.: \$10,266
TOTAL: \$62,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 14,054 square foot parcel of land improved with a 60-year-old, one-story, masonry, commercial building containing approximately 2,500 square feet of building area. The property is located in Wilmette, New Trier Township, Cook County and is classified as a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal which estimated the subject's market value as of January 1, 2019 of \$250,000. The appraiser utilized the income and sales comparison approaches to value to estimate the subject's market value.

Under the income approach, the appraiser analyzed 10 rental comparables and the subject's current rent to arrive at a potential gross income of \$37,500. A vacancy and collection rate of 5% was applied to arrive at an effective gross income of \$35,625. Total expenses were estimated before and after real estate taxes for two net operating incomes of \$31,093 or \$6,089, respectively. A loaded and unloaded capitalization rate applied to these two values to arrive at a value for the subject under the income approach of \$225,000, rounded.

Under the sales comparison approach, the appraiser analyzed nine sales. After making adjustments for pertinent factors, the appraiser estimated a value under the sales comparison approach of \$250,000.

In reconciling the approaches, the appraiser the sales approach along with the income approach were used to arrive at the conclusion of value with the income approach given some weight. The appraiser estimated a value for the subject as of January 1, 2019 of \$250,000.

The board of review submitted its "Board of Review Notes on Appeal." Disclosing the subject's assessment of \$105,100 which reflects a market value of \$420,400 using the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25%. The board of review did not submit any other evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The appellant's appraiser utilized the income and sales comparison approaches to value in determining the subject's market value. The current assessment reflects a market value above this value. The Board finds this appraisal to be persuasive because the appraisal discloses that the appraiser inspected the subject, reviewed the property's history, and used similar properties in the sales comparison approach. Therefore, the Board finds the subject property's market value of \$250,000 as of the assessment date at issue. Since market value has been established the Cook County Real Estate Classification Ordinance level of assessment for class 5 property of 25% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
