

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

56APPELLANT: Howard Goll
DOCKET NO.: 19-26991.001-R-1
PARCEL NO.: 09-12-445-016-0000

The parties of record before the Property Tax Appeal Board are Howard Goll, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,242
IMPR.: \$19,476
TOTAL: \$25,718

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 71-year-old, one-story, building of frame construction containing 968 square feet of gross building area. Features of the subject include a crawl space and a two-car garage. The property is situated on 6,936 square feet of land in Glenview, Maine Township, Cook County. The subject is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on 12 suggested equity comparable properties.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$25,718. The subject property has an improvement assessment of

\$19,476, or \$20.12 per square foot of gross building area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparable properties.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable(s) #1, #2, #3, #5, #7 and #10, and the board of review's comparable(s) #1. These comparable properties were most similar with the subject and had improvement assessments that ranged from \$9.59 to \$20.40 per square foot of living area. The subject's improvement assessment of \$20.12 per square foot of gross building area falls within the range established by the best comparable properties in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
