

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Louis Foutris
DOCKET NO.: 19-28319.001-R-1
PARCEL NO.: 14-19-312-002-0000

The parties of record before the Property Tax Appeal Board are Louis Foutris, the appellant(s), by attorney Katherine Amari O'Dell, of Amari & Locallo in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$16,120
IMPR.: \$8,380
TOTAL: \$24,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 111-year-old, two-story, multi-family dwelling of frame construction with 1,354 square feet of living area. Features of the home include: two apartments a full finished basement with a formal recreation room, two full bathrooms and central air conditioning. The property has a 3,100 square foot site and is located in Chicago, Lake View Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value of \$245,000 as of January 1, 2019. The appraisal developed one of the three traditional approaches to value: the sales approach. The appraisal indicated that a site visit was conducted on February 27, 2020. Additionally, the appraisal contained an addendum indicating that “the Fee Simple Market Value

of the subject property, expressly subject to the Assumptions and Limiting Conditions contained in this report,” as of January 1, 2020, is \$245,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$47,411. The subject's assessment reflects a market value of \$474,110 or \$350.15 per square foot of living area, including land, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales. The properties sold from May 2016 to August 2018, for amounts ranging from \$1,075,000 to \$2,085,738 or from \$496.31 per square foot of living area, including land, to \$671.09 per square foot. The properties from these comparable sales were located in the same subarea as the subject. The sales were improved with a two-story, multi-family dwelling of masonry construction, frame construction or frame and masonry construction. They ranged in improvement age from 105 to 120 years and in improvement size from 2,142 to 3,108 square feet of living area. The sales comparables also contain a full unfinished basement.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the *appraisal submitted by the appellant*. The subject's assessment reflects a market value of \$474,110 or \$350.15 per square foot of living area, including land, which is above the appraised value. The Board finds the subject property had a market value of \$245,000 as of the assessment date at issue. Since market value has been established the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. (86 Ill.Admin.Code §1910.50(c)(2)).

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
