

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Genevieve Kochanek
DOCKET NO.: 19-28615.001-R-1
PARCEL NO.: 09-23-117-069-0000

The parties of record before the Property Tax Appeal Board are Genevieve Kochanek, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,940
IMPR.: \$37,669
TOTAL: \$43,609

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry exterior construction with 2,080 square feet of living area. The dwelling was constructed in 1977 or approximately 43 years old. Features of the home include an unfinished basement, central air conditioning, a fireplace and a two-car garage. The property has a 6,600 square foot site and is located in Niles, Maine Township, Cook County. The subject is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement assessment as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject property. The comparables are improved with class 2-04 dwellings of masonry exterior construction that have either 1,904 or 1,937 square feet of living area. The homes are either 44 or 53 years old. Each comparable has an unfinished basement, central air conditioning and a two-car garage. Three of

the comparables each have one fireplace. The comparables have improvement assessments that range from \$26,519 to \$27,062 or from \$13.93 to \$13.97 per square foot of living area. Based on this evidence, the appellant requested the subject's improvement assessment be reduced to \$27,038 or \$13.00 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$43,609. The subject property has an improvement assessment of \$37,669 or \$18.11 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four equity comparables located within the same neighborhood code as the subject property. The comparables are improved with class 2-04 dwellings of masonry exterior construction that range in size from 1,850 to 2,036 square feet of living area. The homes range in age from 30 to 43 years old. Each comparable has an unfinished basement, one fireplace and a two-car garage. Three comparables each have central air conditioning. The comparables have improvement assessments ranging from \$35,409 to \$44,405 or from \$18.22 to \$21.99 per square foot of living area. Based on this evidence, the board of review requested the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight comparables for the Board's consideration. The Board gave less weight to the appellant's comparable #4 which is older than the subject dwelling. The Board gave less weight to the board of review comparables #1, #3 and #4 which differ from the subject in age and/or lack central air conditioning when compared to the subject.

The Board finds the best evidence of assessment equity to be the remaining comparables, all of which are located on the subject's street. These comparables had improvement assessments that ranged from \$27,038 to \$35,565 or from \$13.96 to \$18.22 per square foot of living area. The subject's improvement assessment of \$37,669 or \$18.11 per square foot of living area falls above the range in terms of overall assessment and within the range on a per square foot basis. After considering adjustments to the comparables for differences with the subject, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

The constitutional provision for uniformity of taxation and valuation does not require mathematical equality. The requirement is satisfied if the intent is evident to adjust the burden with a reasonable degree of uniformity and if such is the effect of the statute enacted by the

General Assembly establishing the method of assessing real property in its general operation. A practical uniformity, rather than an absolute one, is the test. Apex Motor Fuel Co. v. Barrett, 20 Ill.2d 395 (1960). Although the comparables presented by the parties disclosed that the properties located in the same area are not assessed at identical levels, all that the constitution requires is a practical uniformity which appears to exist on the basis of the evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
