

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Kenneth DeVries
DOCKET NO.: 19-28633.001-R-1
PARCEL NO.: 28-34-312-010-0000

The parties of record before the Property Tax Appeal Board are Kenneth DeVries, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,000
IMPR.: \$500
TOTAL: \$4,500

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 61 year old, one-story, single-family dwelling of frame construction with 1,100 square feet of living area. Features of the dwelling include one bath, a slab basement, and three bedrooms. The property has a 20,000 square foot site and is located in Country Club Hills, Bremen Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on April 6, 2018 for \$45,000. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed: the closing date; sale price; that the parties to the transaction were not related; that the subject was advertised for sale by owner via the local paper and yard sign for one year; not a foreclosure sale; and not sold using a contract for deed. In support, the appellant submitted copies of the deed, settlement statement, and title commitment. The appellant requested an assessment reduction to \$4,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$8,525. The subject's assessment reflects a market value of \$85,250 when applying the 2019 level of assessment for class 2-03 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of the assessment, the board of review submitted four sale comparables.

In rebuttal, the appellant affirmed that the subject's 2018 sale is the best evidence of market value. The appellant stated that the 2018 sale was an arm's length transaction and not a foreclosure or short sale. The appellant also stated that the board of review's evidence included "raw unadjusted" sale data. Lastly the appellant reaffirmed request for a reduction in the subject's assessment based on the evidence submitted supporting the 2018 sale.

Conclusion of Law

When overvaluation is claimed, the appellant has the burden of proving the value of the property by a preponderance of the evidence. Cook Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 339 Ill. App. 3d 529, 545 (1st Dist. 2002); National City Bank of Michigan/Illinois v. Prop. Tax Appeal Bd., 331 Ill. App. 3d 1038, 1042 (3d Dist. 2002) (citing Winnebago Cnty. Bd. of Review v. Prop. Tax Appeal Bd., 313 Ill. App. 3d 179 (2d Dist. 2000)); 86 Ill. Admin. Code § 1910.63(e). Proof of market value may consist of an appraisal, a recent arm's length sale of the subject property, recent sales of comparable properties, or recent construction costs of the subject property. Calumet Transfer, LLC v. Prop. Tax Appeal Bd., 401 Ill. App. 3d 652, 655 (1st Dist. 2010); 86 Ill. Admin. Code § 1910.65(c). Having considered the evidence presented, the Board finds that the evidence indicates a reduction is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in April 2018 for \$4,500. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction including disclosing that the parties to the transaction were not related and that the property was advertised for sale for one year via a sign and local paper. In further support of the transaction, the appellant submitted copies of the deed, title commitment and settlement statement. Based on this record, the Board finds the subject property had a market value of \$45,000 as of January 1, 2019. Since market value has been determined, the level of assessments for class 2, residential property of 10% shall apply as determined by the Cook County Classification Ordinance.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
