

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Peter Uhlenhake  
DOCKET NO.: 19-28850.001-R-1  
PARCEL NO.: 14-17-104-027-1002

The parties of record before the Property Tax Appeal Board are Peter Uhlenhake, the appellant(s), by attorney Ronald Justin, of the Law Offices of Ronald Justin in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,854  
**IMPR.:** \$23,692  
**TOTAL:** \$34,546

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of one unit in a three-unit residential condominium building. The dwelling is 108 years old and has a 33.33% ownership in the condominium building. The property has a 7,080 square foot site located in Lake View Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on five comparable sales. The Board notes the appellant's grid sheet does not include the comparable properties' descriptions, square footage of living area, or percentage of ownership.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,922. The subject's assessment reflects a market value of \$391,220, including land, when applying the 2019 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support of its contention of the correct assessment the board of review submitted a condominium sales analysis based on two sales in the subject building. The sales occurred in 2010 and 2011. Based on this analysis, the board of review requested confirmation of the subject's assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the appellant did not submit sufficient information to prove by a preponderance of the evidence that the subject is overvalued. The appellant did not submit a description, square footage of living area, or percentage of ownership for any of the comparable properties. Without this information the Board is unable to determine whether the comparable properties are similar to the subject in size. As such, the Board finds the appellant has not met the burden of proving by a preponderance of the evidence that the subject is overvalued. Based on this evidence the Board finds a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
