

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bonnie L Krause  
DOCKET NO.: 19-29092.001-R-1  
PARCEL NO.: 09-33-209-001-0000

The parties of record before the Property Tax Appeal Board are Bonnie L Krause, the appellant, by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds A Reduction in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$5,172  
**IMPR.:** \$15,078  
**TOTAL:** \$20,250

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story, single-family dwelling of frame and masonry construction with 1,125 square feet of living area. The building is 59 years old. Features of the home include a full basement utilized as a recreation room, central air conditioning and a 2.5-car garage. The property has a 8,276 square foot site and is located in Des Plaines, Maine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on six comparable sales. The comparable properties sold between May 2018 and September 2019. The comparable properties ranged: in price between \$145,000 to \$230,000; in living area square footage between 1,237 to 1,395; and in sale price per

square foot between \$106.09 to \$185.93, including land. Based on this evidence, appellant requested a reduction in the subject's assessment to \$16,395.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$26,266. The subject's assessment reflects a market value of \$262,660 or \$233.48 in market value per square foot of living area, including land, when applying the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables. None of the board of review's comparables contained sales data.

In written rebuttal, the appellant argued that the board of review's four suggested comparable properties should be given less weight because there were better comparables from which to choose. Additionally, the appellant advocated that this Board utilize a median price per square foot analysis. In support of this argument the appellant submitted: a grid with a side-by-side comparison of both parties comparables and a grid depicting which comparable properties from each party this Board should consider. The appellant reaffirmed the request for an assessment reduction.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's comparables #2, #3 and #4. These comparables sold for prices ranging from \$150.00 to \$185.93 per square foot of living area. The subject's assessment reflects a market value of \$233.48 per square foot of living area which is above the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
