

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Grant Niewinski  
DOCKET NO.: 19-29099.001-R-1  
PARCEL NO.: 01-06-100-044-0000

The parties of record before the Property Tax Appeal Board are Grant Niewinski, the appellant(s), by attorney Ronald Justin, of the Law Offices of Ronald Justin in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$21,901  
**IMPR.:** \$30,599  
**TOTAL:** \$52,500

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story, single-family dwelling of frame construction with 3,900 square feet of living area. Features of the dwelling include a partial unfinished basement, two and two half baths, and five bedrooms. The dwelling was constructed in 1975. The property has a 219,011 square foot site and is located on Barrington Township, Cook County. The property is a class 2-08 per the Cook County Real Property Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold on March 8, 2019 for \$525,000. This evidence included copies of the settlement statement. The appellant's pleadings regarding Section IV- Recent Sale Data confirmed the closing date; sale price; that the parties to the transaction were not related; the subject was advertised for sale using a realtor; and not a foreclosure. Lastly, appellant requested that the Board apply the 10% level of assessment as

determined by the Cook County Classification Ordinance. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$52,500.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$71,548. The subject's assessment reflects a market value of \$715,480 or \$183.46 when applying a 10% level of assessment as determined by the Cook County Classification Ordinance. In support of the assessment, the board of review submitted a grid listing four sale comparables. The board of review requested a confirmation of the subject's assessed value.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in March 2019 for \$525,000. The appellant's pleadings support the arm's-length nature of the transaction because the buyer and seller are not related, the subject was advertised for sale on the open market, real estate brokers were used, and the sale was not pursuant to a foreclosure or a short sale. In support, the appellant submitted copies of the settlement statement. Based on this record, the Board finds the subject property had a market value of \$525,000 as of January 1, 2019. Since market value has been determined, the level of assessments for class 2, residential property of 10% shall apply as determined by the Cook County Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
