

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Susan Andrews
DOCKET NO.: 19-29613.001-R-1
PARCEL NO.: 14-05-122-005-0000

The parties of record before the Property Tax Appeal Board are Susan Andrews, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$18,696
IMPR.: \$39,736
TOTAL: \$58,432

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 4,920 square foot parcel of land improved with a 105-year-old, two-story, stucco, single-family dwelling containing 1,882 square feet of building area. The property is located in Chicago, Lake View Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted four comparables that sold from February 2016 to April 2018 for prices ranging from \$233.57 to \$268.16 per square foot of building area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of \$58,432 which reflects a market value of \$584,320 or \$310.48 per square foot of building area. In support of the current assessment, the board of review submitted data on four

sales comparables. These comparables sold from October 2016 to August 2019 for prices ranging from \$342.70 to \$411.32 per square foot of building area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value is the appellant's comparable #1 and the board of review's comparables #1, #2, and #3. These comparables sold for prices ranging from \$258.06 to \$411.32 per square foot of building area. The remaining comparables were given less weight due to differences in sale date or size. In comparison, the appellant's assessment reflects a market value of \$326.04 per square foot of building area which is within the range of the best comparables. Therefore, the Board finds the appellant failed to prove by a preponderance of the evidence that the subject was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
