

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ngee Lee  
DOCKET NO.: 19-30049.001-R-1 through 19-30049.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Ngee Lee, the appellant(s), by attorney Joel R. Monarch, Attorney at Law in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-30049.001-R-1	09-27-426-005-0000	2,847	30,691	\$33,538
19-30049.002-R-1	09-27-426-006-0000	2,847	30,691	\$33,538

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 13-year-old, two-story, single-family dwelling of masonry construction with 2,578 square feet of living area. The subject property has two Property Index Numbers (PINs). Features of the home included a partial basement with a formal recreation room, central air conditioning, a fireplace and a two-car garage. The property has a 3,350 square foot site and is located in Park Ridge, Maine Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on three suggested equity comparables. The appellant provided evidence in the form of a board of review 2019 decision that showed the total assessment for PIN 09-27-426-005-0000 to be \$33,538 and the total assessment for PIN 09-27-

426-006-0000 to be \$33,538, for a total for both PINs of \$67,076. The subject property has an improvement assessment for both PINs of \$61,382 or \$23.81 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$33,538 for PIN 09-27-426-005-0000. The board of review did not supply any evidence directly related to PIN 09-27-426-006-0000. The board of review did present evidence that the subject's combined AV/SQFT is \$23.80, which is consistent with the evidence provided by the appellant. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables. They are improved with a two-story, single-family dwelling of masonry construction, located within ¼ mile radius of the subject with one comparable located within a block of the subject. The improvements ranged: in age from 11 to 21 years; in size from 2,640 to 2,934 square feet of living area; and in assessment from \$24.13 to \$25.07 per square foot. Amenities include: unfinished basement, central air conditioning and either no garage or a two-car garage.

### **Conclusion of Law**

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #3 and #4 and *the board of review's equity comparables #1, #2, and #4*. These comparables had improvement assessments that ranged from \$20.30 to \$25.07 per square foot of living area. The subject's improvement assessment of \$23.81 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
