

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tomasz Siciak
DOCKET NO.: 19-30358.001-R-1
PARCEL NO.: 09-22-121-032-0000

The parties of record before the Property Tax Appeal Board are Tomasz Siciak, the appellant(s), by attorney Andrew S. Dziuk, of Andrew Dziuk, Esq. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,180
IMPR.: \$22,818
TOTAL: \$31,998

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of masonry construction with 1,686 square feet of living area. The dwelling was constructed in 1951. Features of the home include a slab foundation, a fireplace, and a 1-car garage. The property has a 10,800 square foot site and is located in Park Ridge, Maine Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument the appellant submitted information on four equity comparables of masonry construction. comparables ranged: in age from 67 to 72 years old; in size from 1,372 to 1,657 square feet of living area; and in improvement assessment from \$11.13 to \$11.86 per square foot of living area. Based on this evidence, the appellant requested an assessment for the subject of \$27,945.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total \$31,998 with an improvement assessment of \$22,818, or \$13.53 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables of either frame and masonry or masonry construction, either located on the subject's block or within ¼ mile radius of its location. The comparables ranged: in age from 67 to 70 years old; in size from 1,022 to 1,740 square feet of living area; and in improvement assessment from \$13.99 to \$15.31 per square foot of living area. Based on this evidence, the board of review requested confirmation of the subject's assessment.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables #2 and the board of review's comparables #3 and #4*. These comparables were given greater weight due to their size relative to the subject. These comparables had improvement assessments that ranged from \$11.72 to \$15.31 per square foot of living area. The subject's improvement assessment of \$13.53 per square foot of living area falls within the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
