

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Cindy Mayer
DOCKET NO.: 19-31590.001-R-1
PARCEL NO.: 22-24-306-017-0000

The parties of record before the Property Tax Appeal Board are Cindy Mayer, the appellant(s), by attorney Peter D. Verros, of Verros Berkshire in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$11,331
IMPR.: \$54,592
TOTAL: \$65,923

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 32-year-old, two-story single-family dwelling of masonry construction with 4,985 square feet of living area. Features of the subject include a full unfinished basement, central air conditioning, two fireplaces, and a two-car garage. The property's site is 41,207 square feet, and it is located in Lemont, Lemont Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. The comparables had a different assessment neighborhood code as the subject and were located within a 4.2-mile radius of the subject. In addition, data was submitted for these same properties on a second comparable information sheet. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$53,155.

The board of review submitted its “Board of Review Notes on Appeal” disclosing that the total assessment for the subject is \$65,923. The subject property has an improvement assessment of \$54,592 or \$10.95 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparables located within the same subarea as the subject with two located within a ¼ mile radius of the subject. They are improved with a two-story, single-family dwelling of masonry construction. The improvements ranged: in age from 23 to 30 years; in size from 4,829 to 4,949 square feet of living area; and in assessment from \$11.10 to \$13.09 per square foot. Amenities include: a full unfinished basement, central air conditioning and a varying garage area.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question and recommended not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the board of review's comparables #1 through #4. These comparable properties were most similar with the subject and had improvement assessments that ranged from \$11.10 to \$13.09 per square foot of living area. The subject's improvement assessment of \$10.95 per square foot of living area falls below the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, with clear and convincing evidence, that the subject is inequitably assessed, and that a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
