

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tove Milosevic (Tove Moe) Trust
DOCKET NO.: 19-31933.001-R-1
PARCEL NO.: 04-11-216-057-0000

The parties of record before the Property Tax Appeal Board are Tove Milosevic (Tove Moe) Trust, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$7,134
IMPR.: \$24,445
TOTAL: \$31,579

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a one-story dwelling of frame and masonry exterior construction with 1,572 square feet of living area. The dwelling is approximately 65 years old. Features of the home include a partial unfinished basement, central air conditioning, one fireplace and a one-car garage.¹ The property has a 6,795 square foot site located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The

¹The appellant's evidence depicts the subject as having a partial unfinished basement and a one-car garage while the board of review's grid analysis depicts the subject as having a full unfinished basement and no garage. This discrepancy will not prevent the Board from rendering a decision for this appeal.

comparables are improved with one-story dwellings of masonry or frame and masonry exterior construction ranging in size from 1,084 to 1,752 square feet of living area. The dwellings are each 65 years old. The comparables have full basements, two of which have finished area. Each comparable has central air conditioning. Two comparables each have one fireplace. Two comparables each have a one-car garage. The comparables have improvement assessments ranging from \$16,015 to \$27,241 or from \$14.37 to \$15.55 per square foot of living area. Based on this evidence, the appellant requested that the subject's improvement assessment be reduced to \$24,445 or \$15.55 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$35,556. The subject property has an improvement assessment of \$28,422 or \$18.08 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables that are located within the same neighborhood code as the subject property. The comparables are improved with one-story dwellings of frame and masonry exterior construction ranging in size from 1,275 to 1,388 square feet of living area. The dwellings are either 65 or 66 years old. Each comparable has a full basement with finished area and a one-car garage. Three comparables have central air conditioning. Two comparables each have one fireplace. The comparables have improvement assessments ranging from \$24,832 to \$29,717 or from \$19.22 to \$23.31 per square foot of living area. Based on this evidence, the board of review requested that the subject's assessment be confirmed.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gives less weight to the appellant's comparable #4 and the board of review's comparables due to their significantly smaller dwelling sizes when compared to the subject.

The Board finds the best evidence of assessment equity to be the appellant's comparables #1, #2, and #3 as they are most similar to the subject in location, design, age, dwelling size and/or some features. These comparables have improvement assessments ranging from \$22,348 to \$27,241 or \$14.37 and \$15.55 per square foot of living area. The subject's improvement assessment of \$28,422 or \$18.08 per square foot of living area falls above the range established by the best comparables in this record and is not justified. After considering adjustments to the comparables for differences to the subject, the Board finds the appellant demonstrated with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's improvement assessment commensurate with the appellant's request is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
