

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: James Goddyn  
DOCKET NO.: 19-32202.001-R-1  
PARCEL NO.: 06-17-106-024-0000

The parties of record before the Property Tax Appeal Board are James Goddyn, the appellant(s), by attorney Brian P. Liston, of the Law Offices of Liston & Tsantilis, P.C. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,390  
**IMPR.:** \$15,896  
**TOTAL:** \$22,286

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling with 1,844 square feet of living area of frame construction. The dwelling was constructed in 1978. Features of the home include a partial unfinished basement, and a 2-car garage. The property has a 12,172 square foot site and is located in Elgin, Hanover Township, Cook County. The subject is classified as a class 2-07 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on three comparable sales. The comparable properties sold between February 2017 and October 2018. The comparable properties ranged: in price between \$149,900 to \$220,000; in living square footage between 1,833 to 1,972; and in sale price per square foot between \$82.79 to \$111.56, including land. Based on this evidence, the appellant arrived at a requested assessment for the subject of \$18,682.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$22,286. The subject's assessment reflects a market value of \$222,860 or \$120.86 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment the board of review submitted information on four comparable sales. The comparable properties sold between January 2018 and July 2019. The comparable properties ranged: in price between \$235,000 to \$248,000; in living square footage between 1,790 to 1,927; and in sale price per square foot between \$121.95 to \$138.55, including land.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of market value to be *appellant's comparable sales and the board of review comparable sales #2, #3, and #4*. The remaining comparable was given less weight due to the difference in construction. These comparables sold for prices ranging from \$82 to \$138.55 per square foot of living area, including land. The subject's assessment reflects a market value of \$120.86 per square foot of living area, including land, which is within the range established by the best comparable sales in this record. Based on this evidence the Board finds a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
