

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dia Morgan  
DOCKET NO.: 19-32259.001-R-1  
PARCEL NO.: 04-25-318-001-0000

The parties of record before the Property Tax Appeal Board are Dia Morgan, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$13,660  
**IMPR.:** \$39,083  
**TOTAL:** \$52,743

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 11,879 square foot parcel of land improved with a 63-year-old, one-story, single-family dwelling of frame construction containing 2,426 square feet of building area. Features of the home include a crawl space, central air conditioning, a fireplace and a two-car garage. The property is located in Glenview, Northfield Township, Cook County and is classified as a class 2-04 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparables with varying degrees of similarities to the subject. The appellant did not report the exact proximity of the comparables to the subject but disclosed that they had the same neighborhood code as the subject. The comparables had improvement assessments ranging from \$4.96 to \$13.14 per square

foot of building area. The appellant requested the subject's total assessment be reduced to \$38,356.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment of \$52,743 with an improvement assessment of \$39,083 or \$16.11 per square foot of building area. In support of the current assessment, the board of review submitted four equity comparables. These properties were located either within the same subarea as the subject or within a ¼ mile of the subject. They ranged: in age from 60 to 68 years and have improvement assessment that ranged from \$18.77 to \$40.68 per square foot of building area. Based on this evidence, the board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparable #2 and #4 and the board of review's comparables #1, #2 and #3. These comparables had improvement assessments ranging from \$9.43 to \$40.68 per square foot of building area. In comparison the subject's improvement assessment of \$16.11 per square foot of building area is within the range of the best comparables in this record. After considering adjustments to these comparables for differences when compared to the subject, the Board finds the subject's improvement assessment is supported. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
