

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Julie Slutsky  
DOCKET NO.: 19-33093.001-R-1  
PARCEL NO.: 04-03-101-052-0000

The parties of record before the Property Tax Appeal Board are Julie Slutsky, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,427  
**IMPR.:** \$35,283  
**TOTAL:** \$38,710

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 30-year-old, two-story, single-family dwelling of masonry construction with 2,610 square feet of living area. The property has a 2,856 square foot site located in Northbrook, Northfield Township, Cook County. The subject is classified as a class 2-95 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity and a contention of law as the bases of the appeal. In support of these arguments, the appellant submitted information on five suggested equity comparable properties. They were each improved with either a one-story or a two-story, single-family dwelling of masonry construction. The improvements ranged in improvement assessment from \$7.74 to \$10.15 per square foot of living area and from 1,864 to 2,168 square feet of living area. The appellant also included a copy of the board of review's written decision reflecting a

total assessment for the subject property of \$38,710. Based on its evidence submitted, the appellant requests the total assessment of the subject property be reduced to \$27,621.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$38,710. The subject property has an improvement assessment of \$35,283, or \$13.52 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on three suggested comparables. They were each improved with a two-story, single-family dwelling of masonry construction. They ranged in assessment from \$14.06 to \$14.36 per square foot of living area and each contained 2,422 square feet of living area. The board of review also included information in its grid analysis indicating the subject property sold in April of 2017 for \$408,000.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *the board of review's comparables #1, #2, and #3*. These comparables were most similar to the subject property in living area square footage. They ranged in improvement assessment from \$14.06 to \$14.36 per square foot of living area. The subject's improvement assessment of \$13.52 per square foot of living area is below the range established by the best comparables in this record. Based on this record the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
