

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ted Washburn
DOCKET NO.: 19-34244.001-R-1
PARCEL NO.: 01-01-108-027-0000

The parties of record before the Property Tax Appeal Board are Ted Washburn, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,491
IMPR.: \$40,441
TOTAL: \$43,932

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 6,650 square foot parcel of land improved with a 48-year-old, two-story, frame, single-family dwelling, containing 2,426 square feet of living area. The property is located in Barrington, Barrington Township, Cook County and is a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of its overvaluation argument, the appellant submitted sales information of four comparable properties that sold between February 2017 and June 2018 for prices ranging between \$115.72 to \$157.73 per square foot of living area, including land. The comparable sales properties were class 2-78, single-family dwellings of frame or frame and masonry construction containing between 2,243 and 3,111 square feet of living area. Based on this evidence, appellant requested a reduction in the subject's assessment to \$35,408.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation of \$43,932, with an improvement assessment of \$40,441, or \$16.67 per square feet of living area. The subject's assessment reflects a market value of \$439,320, or \$181.09 per square foot of living area, including land, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted four sales comparable properties. The board of review's sales comparables were two-story, single-family dwellings of frame construction and ranged in size between 2,128 and 2,698 square feet of living area and in age between 34 and 53 years. The comparable sales properties sold between August 2016 and August 2018 for prices between \$194.99 and \$236.84 per square foot of living area, including land.

Conclusion of Law

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be the appellant's sale comparables #1 and #4 and board of review comparables #1 and #4. These properties sold for prices ranging between \$115.72 to \$198.30 per square foot of living area, including land. The remaining comparables were given less weight due to differences in size, construction, and/or date of sale being too far removed from the assessment year at issue in the instant appeal. The subject's current assessment of \$181.09 per square foot of living area, including land, reflects a market value within the market value range established by the best comparables in this record. Based on this record, the Board finds appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
