

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dean Pissios
DOCKET NO.: 19-34607.001-R-1
PARCEL NO.: 09-22-423-025-0000

The parties of record before the Property Tax Appeal Board are Dean Pissios, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$8,054
IMPR.: \$32,966
TOTAL: \$41,020

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a multi-level dwelling of frame and masonry exterior construction with 1,985 square feet of living area. Features of the dwelling include a partial basement with a formal recreation room area, central air conditioning, a fireplace, and a 2.5-car garage. The property has an 8,708 square foot site and is located in Park Ridge, Maine Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity with respect to the improvement as the basis of the appeal. In support of this argument, the appellant submitted information on nine equity comparables that are located within the same neighborhood code as the subject. They were improved with a multi-level dwelling of either frame construction or frame and masonry construction. They ranged: in age from 50 to 58 years; in size from 1,557 to 2,038 square feet of

living area; and in improvement assessment from \$13.80 to \$17.01 per square foot of living area. Based on this evidence, the appellant requested that the total assessment be reduced to \$38,719.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$52,069. The subject property has an improvement assessment of \$45,103 or \$22.72 per square foot of living area. However, these figures are incorrect. A separate document, received into evidence, revealed that the board of review finalized the assessed valuation for PIN 09-22-423-025-0000 at \$44,082, which were the figures provided by the appellant in their appeal. The subject property has an improvement assessment of \$36,028 or \$18.15 per square foot of living area. Within the "Board of Review Notes on Appeal," the board of review submitted information on four suggested equity comparables that are located within a different neighborhood code as the subject. They are improved with a multi-story, single-family dwellings of masonry construction or frame and masonry construction. The improvements ranged: in age from 46 to 55 years; in size from 1,308 to 2,182 of living area; and improvement assessment from \$18.13 to \$24.28 per square foot.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *met* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparables #1, #4, #8 and #9*. These comparables had improvement assessments that ranged from \$13.80 to \$17.01 per square foot of living area. The subject's improvement assessment of \$18.15 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
