

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Anthony Karras  
DOCKET NO.: 19-34609.001-R-1  
PARCEL NO.: 09-14-318-042-0000

The parties of record before the Property Tax Appeal Board are Anthony Karras, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,341  
**IMPR.:** \$35,916  
**TOTAL:** \$42,257

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject consists of a two-story dwelling of masonry construction with 3,036 square feet of living area. The dwelling is 58 years old. Features of the home include a basement apartment, three full bathrooms and a two-car garage. The property has a 7,046 square foot site, and is located in Niles, Maine Township, Cook County. The subject is classified as a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted information on four sale comparables with varying degrees of similarity to the subject. These comparables sold between November 2017 and October 2019 for \$90.87 to \$128.17 per square foot of living area, including land. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$35,470.

The board of review submitted its “Board of Review Notes on Appeal” disclosing the total assessment for the subject of \$42,257. The subject’s assessment reflects a market value of \$422,570, or \$139.19 per square foot of living area, including land, when applying the statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of the assessment the board of review submitted sales information on four sales comparables with varying degrees of similarity to the subject. The improvements ranged: in age from 51 to 59 years; in size from 2,368 to 4,029 square feet of living area. They sold from August 2017 to June 2019 for prices ranging from \$147.66 to \$188.68 per square foot of living area, including land.

Based on this evidence the board of review requested confirmation of the subject’s assessment.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of market value to be appellant's comparables #1 and #2 and board of review’s sales comparables #3 and #4. These comparables sold for prices ranging from \$90.87 to \$188.68 per square foot of living area, including land. The subject's assessment reflects a market value of \$139.19 per square foot of living area, including land, which is within the range established by the best comparables in this record. Based on this record, the Board finds the appellant has not proven, by a preponderance of the evidence, that the subject is overvalued. Accordingly, a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
