

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jack Muscia
DOCKET NO.: 19-34660.001-R-1
PARCEL NO.: 09-22-107-045-0000

The parties of record before the Property Tax Appeal Board are Jack Muscia, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,440
IMPR.: \$36,391
TOTAL: \$41,831

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 6,400 square foot parcel of land improved with a 58-year-old, 2-story, masonry, multi-family dwelling, containing 2,595 square feet of living area. The property is located in Park Ridge, Maine Township, Cook County and is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of its overvaluation argument, appellant submitted sales information on four comparable properties that sold between May 2018 and April 2019 for prices ranging between \$148.47 to \$170.37 per square foot of living area, including land. The comparable sales were improved with multi-family dwellings of masonry construction and contained between 2,000 and 3,408 square feet of living area. In addition, appellant submitted a copy of the board of review's written decision providing for a

total assessment of \$45,325. Based on this evidence, appellant requested a reduction in the subject property's assessment to \$41,831.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation of \$45,325, with an improvement assessment of \$39,885. The subject's assessment reflects a market value of \$453,250, or \$174.66 per square foot of living area, including land, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted one sale comparable. The sale comparable property was improved with a two-story, multi-family dwelling of masonry construction with 2,350 square feet of living area. It sold in March of 2016 for \$191.49 per square foot of living area, including land. In addition, the board included two equity comparables.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be appellant's sales comparables #1, #2, and #3. These properties sold in 2018 for prices ranging between \$148.47 and \$170.37 per square foot of living area, including land. They were given more weight because they were most similar to the subject property in living area square footage, closest to the subject property in proximity, and/or had a sale date closest to the lien year at issue in the instant appeal. The subject's current assessment of \$174.66 per square foot of living area, including land, reflects a market value above the market value established by the best comparables in this record. Based on this record, the Board finds appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
