

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Galina Patterson  
DOCKET NO.: 19-35017.001-C-1  
PARCEL NO.: 16-15-223-021-0000

The parties of record before the Property Tax Appeal Board are Galina Patterson, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$6,636  
**IMPR.:** \$0  
**TOTAL:** \$6,636

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of 6,230 square foot vacant lot. The property is located Chicago, West Township, Cook County and is classified as a class 1-00 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends inequity as the basis of the appeal. In support of the equity argument, the appellant submitted three comparables located within one mile of the subject. The comparables are described as vacant lot with the same zoning as the subject. They range in size from 7,021 to 7,987 square feet and have land assessments of \$1.05 per square foot.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment of \$7,320 or \$1.17 per square foot of land.

The board of review did not submit any other evidence.

At hearing, the appellant, Galena Patterson, testified that the comparables are all commercially zoned the same as the subject, but that subject is inferior to the comparables because the subject does not have the same access to a main thoroughfare.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b).

The Board finds the best evidence of assessment equity to be the appellant's comparables. These comparables had land assessments of \$1.05 per square foot of land. In comparison the subject's assessment of \$1.17 per square foot is above the range of the best comparables in this record. Based on this record the Board finds the appellant did demonstrate with clear and convincing evidence that the subject's land was inequitably assessed and a reduction in the subject's improvements is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
