

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: National Home Rentals
DOCKET NO.: 19-35082.001-R-1
PARCEL NO.: 20-23-406-036-1004

The parties of record before the Property Tax Appeal Board are National Home Rentals, the appellant(s), by attorney Peter D. Verros, of Verros Berkshire, PC in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,188
IMPR.: \$3,012
TOTAL: \$4,200

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of one condominium unit. This unit is in an approximately 100-year-old residential condominium building. The condominium contains 1,500 square feet of living area. The property is located on a 13,725 square foot site and is located in Chicago, Hyde Park Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted an appraisal estimating the subject property had a market value \$42,000 as of January 1, 2017, utilizing the sales comparison approach. The appraisal contained information on three comparable sales. The appellant requested a total assessment reduction to \$4,200 when applying the 10% level of assessment for Class 2 properties under the Cook County Real Property Assessment Classification Ordinance.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$7,190. The subject's assessment reflects a market value of \$71,900 when applying the 10% level of assessment for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment the board of review submitted information on comparable sales utilizing a condominium analysis consisting of six sales from the subject's condominium complex. Based on this evidence, the board of review requested that the assessment be confirmed.

Prior to a scheduled June 7, 2024, hearing before a PTAB Administrative Law Judge the parties entered into a written agreement to waive hearing and have a decision rendered based on the previously submitted evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. That appraisal relied on the sales comparison approach, which used recent sales of three suggested comparable properties. The appraiser determined that the subject's market value was \$42,000. In contrast, the board of review's evidence consisted of unadjusted data concerning comparable properties without expert analysis. The subject's assessment reflects a market value of \$71,900 which is above the appraised value. The Board finds the subject property had a market value of \$42,000 as of the assessment date at issue. Since market value has been established, the 10% level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply. Based on this record the Board finds the appellant did demonstrate by a preponderance of the evidence that the subject's assessment was overvalued and a reduction in the subject's assessment is justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
