

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jesus & Lucila Mendoza
DOCKET NO.: 19-35340.001-R-1 through 19-35340.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Jesus & Lucila Mendoza, the appellant(s), by attorney George J. Relias, of Relias Law Group, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-35340.001-R-1	12-27-210-035-0000	2,031	27,633	\$29,664
19-35340.002-R-1	12-27-210-045-0000	1,625	9,211	\$10,836

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of two parcels of land. The parcel with PIN 12-27-210-035-0000 is improved with a 13-year-old, two-story, masonry, single-family dwelling, containing 3,510 square feet of living area. The parcel with PIN 12-27-210-045-0000 is improved with a 13-year-old, one-story, frame, single-family dwelling, containing 1,239 square feet of living area. The property is located in Chicago, South Chicago Township, Cook County and is a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends assessment inequity for PIN 12-27-210-035-0000 as the basis of the appeal. In support of its argument, appellant submitted information on four suggested equity comparables. They were each improved with a two-story, single-family dwelling, of either frame, masonry, or frame and masonry construction. They ranged in size between 3,237 and 3,748 square feet of living area and in improvement assessment between \$9.07 and \$9.71 per

square foot of living area. Based on this evidence, appellant requested a reduction in the subject's assessment to \$26,664 (PIN 12-27-210-035-0000) and \$9,843 PIN (12-27-210-045-0000).

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation for PIN 12-27-210-035-0000 of \$29,664, with an improvement assessment of \$27,633, or \$7.87 per square feet of living area. In support of its contention of the correct assessment for PIN 12-27-210-035-0000, the board of review submitted four equity comparable properties. The board of review's equity comparables were improved with either a one-story or two-story, single-family dwelling, of either frame, masonry, or frame and masonry construction. They ranged in size between 1,239 and 3,438 square feet of living area and in assessment between \$7.43 and \$15.46 per square foot of living area. The board of review's comparable property #1 is actually the second improvement on the subject property.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds appellant has not met this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity for PIN 12-27-210-035-0000 to be appellant's comparables #1 and #4 and the board of review's comparable #2. These comparables had improvement assessments that ranged from \$9.07 to \$15.31 per square foot of living area. They are most similar to the subject property in living area square footage and/or construction. The subject's improvement assessment is \$7.87 per square foot of living area, which falls within the range established by the best comparables in this record. Based on this record, the Board finds appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
