

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Tinley Park Professional Plaza LLC
DOCKET NO.: 19-37366.001-I-1 through 19-37366.002-I-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Tinley Park Professional Plaza LLC, the appellant(s), by attorney William I. Sandrick, of Sandrick Law Firm, LLC in South Holland; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-37366.001-I-1	28-19-401-017-0000	63,882	23,025	\$86,907
19-37366.002-I-1	28-19-401-018-0000	67,860	15,233	\$83,093

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of four one-story commercial buildings with a total of 15,988 square feet of building area. The buildings range in age from 41-47 years old. The property is located in Bremen Township, Cook County. The subject is classified as a class 5 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument the appellant submitted evidence disclosing the subject property was purchased on February 28, 2019, for a price of \$680,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$208,220. The subject's assessment reflects a market value of

\$832,880, land included, when using the 2019 level of assessment for class 5 property of 25% under the Cook County Real Property Assessment Classification Ordinance. The board of review did not submit additional evidence in support of the subject's assessment.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in February 2019 for a price of \$680,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a realtor, the property had been advertised on the open market. In further support of the transaction the appellant submitted a copy of the sale contract and settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. Based on this record the Board finds the subject property had a market value of \$680,000 as of January 1, 2019. Since market value has been determined the 2019 median level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 25% shall apply. 86 Ill.Admin.Code §1910.50(c)(2)

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
