

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Bill Gilgenbach  
DOCKET NO.: 19-37818.001-R-1  
PARCEL NO.: 04-30-410-032-0000

The parties of record before the Property Tax Appeal Board are Bill Gilgenbach, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$12,525  
**IMPR.:** \$12,547  
**TOTAL:** \$25,072

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of an owner-occupied one-story single-family dwelling of frame and masonry construction with 1,514 square feet of living area. The dwelling was constructed in 1954. Features of the home include a slab foundation, central air conditioning, and a three-and-a-half-car garage. The property has a 10,438 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument the appellant submitted information on four comparable sales. The comparables were improved with single-family residences of either frame or frame and masonry construction. The improvements ranged: in age from 60 to 65 years old; and in size from 1,215 to 1,606 square feet of living area. The sales occurred from July 2017 to October 2019 for prices ranging from

\$192,000 to \$270,000 or \$155.67 to \$176.47 per square foot, including land. Based on this evidence, the appellant requested an assessment of \$25,072.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$28,417. The subject property had a market value of \$284,170 or \$181.09 per square foot of living area, including land. In support of its contention of the correct assessment the board of review only submitted information on four equity comparables without any accompanying sales data. The comparables were improved with one-story single-family residences of frame and masonry construction. The improvements ranged: in age from 64 to 65 years old; in size from 1,500 to 1,586 square feet of living area; and in improvement assessment from \$10.92 to \$11.49 per square foot of living area.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity, and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of assessment equity to be *appellant comparables*. These comparables ranged in sales prices per square foot from \$155.67 to \$176.47 per square foot of living area. The subject's sales price per square foot of \$181.09 per square foot of living area falls above the range established by the best comparables in this record. Based on this record the Board finds the appellant *did* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
