

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Alphonsus Olieh  
DOCKET NO.: 19-37852.001-R-1  
PARCEL NO.: 15-10-304-019-0000

The parties of record before the Property Tax Appeal Board are Alphonsus Olieh, the appellant(s), by attorney Jessica Hill-Magiera, Attorney at Law in Lake Zurich; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$1,859  
**IMPR.:** \$4,101  
**TOTAL:** \$5,960

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 4,375 square foot parcel of land improved with a one-story, frame, single-family dwelling containing 860 square feet of building area. The property is located in Maywood, Proviso Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this appellant submitted copies of transfer declaration and multiple listing service (MLS) printout which disclosed the purchase of the subject on June 18, 2018 for \$59,600. The declaration states the subject was advertised for sale while the MLS shows the subject was advertised for 20 days with an original list price of \$49,900. The statement lists commissions paid to two real estate companies. The petition discloses that the transfer was not between related parties, the property was sold with involvement of a realtor, and that the property was advertised for sale. The

appellant did not complete the additional questions on this section of the petition. The petition discloses that the subject is an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's total assessment is \$8,896 which reflects a market value of \$88,960 or \$103.44 per square foot of building area using the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10%.

In support of the assessment the board of review submitted four comparables. These properties are described as one-story, masonry or frame, single-family dwellings containing from 600 to 953 square feet of building area. They sold from January 2017 to April 2019 for prices ranging from \$206.49 to \$285.94 per square foot of building area. The grid lists the sale of the subject in May 2018 for \$59,600. The Notes on Appeal asserts that the subject sold via judicial sale deed and was not an arm's length transaction.

In rebuttal, the appellant asserted that the board of review did not rebut the arm's length sale of the subject.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the purchase of the subject property in June 2018 for a price of \$59,600. The appellant submitted evidence of the sale of the subject and that it was offered on the open market. The board of review did not sufficiently rebut that the sale was not at arm's-length. Based on this record the Board finds the subject property had a market value of \$59,600 as of the lien date. Since market value has been determined, the level of assessment of 10% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply and a reduction in the subject's assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
