

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Dimitri Haralampopoulos
DOCKET NO.: 19-37869.001-R-1
PARCEL NO.: 04-20-308-022-0000

The parties of record before the Property Tax Appeal Board are Dimitri Haralampopoulos, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$15,825
IMPR.: \$52,808
TOTAL: \$68,633

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an owner-occupied single-family dwelling with 13,761 square feet of living area of masonry construction. The dwelling was constructed in 1983. Features of the home include a full unfinished basement, central air conditioning, a fireplace, and a two-and-a-half-car garage. The property has a 3,654 square foot site and is located in Glenview, Northfield Township, Cook County. The subject is classified as a class 2-78 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of the overvaluation argument the appellant submitted information on four comparable sales. The comparable properties sold between May 2017 and November 2019 for prices ranging from \$527,500 to \$700,000 or \$179.12 to \$195.31 per square foot, including land.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$73,960. The subject's assessment reflects a market value of \$739,600 or \$202.41 per square foot of living area, including land, when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% as determined by the Illinois Department of Revenue.

In support of its contention of the correct assessment the board of review submitted information on one equity comparable. The comparable was improved with a two-story class 2-78 building of masonry construction. The comparable was 36 years old with 3,638 square feet of living area and an improvement assessment of \$17.02 per square foot.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the *appellant comparables*. These comparables sales were the only ones considered by the Board for this appeal as the board of review did not submit any comparable sales. These comparable properties sold between May 2017 and November 2019 for prices ranging from \$179.12 to \$195.31 per square foot of living area, including land. The subject's assessment reflects a market value of \$202.41 per square foot of living area, including land, which is above the range established by the best comparable sales in this record. After this reduction the Board finds the subject is fairly assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
