

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: John Schulte  
DOCKET NO.: 19-38090.001-R-1  
PARCEL NO.: 17-06-225-050-1002

The parties of record before the Property Tax Appeal Board are John Schulte, the appellant, by attorney Robert Rosenfeld, of Robert H. Rosenfeld & Associates, LLC in Northbrook, and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$2,997  
**IMPR.:** \$36,703  
**TOTAL:** \$39,700

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property is a condominium unit in a building with three units. Construction of the building was completed in 2007. The subject building occupies a 2,976 square foot site. It is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant asserts overvaluation as a basis for this appeal. In support of the overvaluation argument, the appellant submitted evidence disclosing that the subject condominium unit was purchased on March 29, 2019, for a price of \$397,000. The evidence included the settlement statement for the transaction and responses to questions about the sale in Section IV of the appeal petition. Based upon this evidence, the appellant requested a reduction in the subject's assessment to \$39,700.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$45,627. The subject's assessment reflects a market value of \$456,270, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. The subject has an improvement assessment of \$42,360.

In support of its contention of the correct assessment the board of review submitted its Condominium Analysis Results for 2019 regarding the subject property. Relying on the 2017 sale of a different unit in the subject's building for \$630,000, the board of review determined that the value of the entire condominium building, including the common elements, was \$1,700,404. The subject unit represented a 29.62% ownership interest in the common elements, so its value was \$503,656 under this analysis.

### **Conclusions of Law**

The basis for this appeal is overvaluation. When market value is the basis of the appeal, the taxpayer must prove the value of the property by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e); Winnebago County Bd. of Review v. Property Tax Appeal Bd., 313 Ill. App. 3d 1038, 1043 (2d Dist. 2000). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment on this basis is warranted.

The appellant presented evidence that the subject property was sold on March 29, 2019, for a price of \$397,000. The appellant filled out Section IV - Recent Sale Data of the PTAB residential appeal form and disclosed that the parties to the transaction were not related family members or corporations, the property was sold by a realtor, and the property had been advertised on the open market by Multiple Listing Service. The appellant submitted a copy of the settlement statement from the transaction.

The Board's task in this case is to determine the correct assessment of the subject property. See 35 ILCS 200/16-180. Under Illinois law, real property must be valued at its fair cash value, meaning the price that would be paid for it at a fair, voluntary sale where the buyer and seller are both ready, willing, and able to buy and sell, but neither is compelled to do so. Bd of Educ of Meridian Community School Dist. No. 223 v. Ill. Property Tax Appeal Bd., 2011 IL App (2d) 100068, ¶ 36. A contemporaneous sale of the subject property between parties dealing at arms-length is practically conclusive on the issue of whether an assessment reflected the fair cash market value of the property. Gateway-Walden LLC v. Pappas, 2018 IL App (1<sup>st</sup>) 162714, ¶ 33.

The Board finds that the best evidence of the subject's market value is the March 29, 2019, sale of the subject for \$397,000. The appellant's representations about the sale indicate that it was an arm's length transaction, and the board of review presented no evidence refuting any of those representations. Because the subject's assessment reflects a fair market value of \$456,270, which is greater than the \$397,000 sale amount, a reduction in the subject's assessment commensurate with that sale price is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
