

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: ICON Armitage
DOCKET NO.: 19-39004.001-R-1
PARCEL NO.: 16-26-205-009-0000

The parties of record before the Property Tax Appeal Board are ICON Armitage, the appellant, by attorney Joanne Elliott, of Elliott & Associates Attorneys, PLLC in Des Plaines; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$3,657
IMPR.: \$4,343
TOTAL: \$8,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 125-year-old, one-story, single-family dwelling of frame construction with 1,474 square feet of living area. Features of the home include a slab foundation, three bedrooms and one full bathroom. The property has a 3,113 square foot site and is located in Chicago, West Chicago Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

The taxpayer asserts assessment inequity as a basis of the appeal. In support of this argument, the taxpayer submitted information on three suggested equity comparables. The appellant also asserts overvaluation in this appeal. In support of the overvaluation argument, the appellant submitted evidence disclosing that the subject property was purchased December 28, 2018, for a price of \$80,000. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$8,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$16,874. The subject's assessment reflects a market value of \$168,740 or \$114.48 per square foot of living area, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. The subject's improvement assessment is \$13,217 or \$8.97 per square foot of living area.

In support of its contention of the correct assessment the board of review submitted information on four suggested equity comparables; none of which contain sales data.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant did meet this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the sale of the subject property in December 2018 for a price of \$80,000 is the best evidence of market value. The appellant completed Section IV - Recent Sale Data of the PTAB residential appeal form and disclosed that the property was sold by a realtor and was advertised despite not listing the length of time or method used. The appellant disclosed that it was not sold due to a foreclosure action. The appellant stated the sale was not a transfer between family members or related corporations. Notably, the board of review did not contest the conditions of the sale. As supporting evidence, the appellant also submitted the ATLA Statement and printouts from the Cook County Assessor's website for the subject property and all comparables. Accordingly, the Board determines that the appellant has established by a preponderance of the evidence that the subject property was overvalued. Based on the evidence, the Board therefore finds that a reduction in the subject's assessment on this basis is justified. Since market value has been determined, the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10% shall apply. A reduction in the subject's assessment commensurate with the appellant's request is therefore appropriate.

Based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is justified. Since market value has been determined, the Board finds that the subject is now fairly and equitably assessed.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
