

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steven Soehn  
DOCKET NO.: 19-39231.001-R-1  
PARCEL NO.: 05-17-200-102-0000

The parties of record before the Property Tax Appeal Board are Steven Soehn, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$50,253  
**IMPR.:** \$98,403  
**TOTAL:** \$148,656

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a two-story dwelling of frame and masonry exterior construction with 3,919 square feet of living area. The dwelling is approximately 40 years old. Features of the home include a partial unfinished basement, central air conditioning, one fireplace and a 2-car garage. The property has 23,930 square foot site and is located in Winnetka, New Trier Township, Cook County. The subject is classified as a class 2-08 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal.<sup>1</sup> The subject's land assessment was not contested. In support of this argument the appellant submitted information on four equity comparables located in the same neighborhood code as the subject. The

<sup>1</sup>The appellant's appeal included information regarding the subject's 2019 sale, however, the appellant failed to indicate the appeal was based in part on a recent sale and did not submit any documentation about the sale as required by the Property Tax Appeal Board. Section 16-180 of the Property Tax Code states in pertinent part: Each appeal shall be limited to the grounds listed in the petition. (35 ILCS 200/16-180) This argument will not be considered.

comparables were improved with two-story class 2-08 dwellings of masonry, fame, or stucco exterior construction that range in age from 31 to 61 years old. Each comparable has a full or partial basement with two comparables having finished area, central air conditioning, and one or two fireplaces. The dwellings range in size from 4,278 to 4,774 square feet of living area and have improvement assessments ranging from \$85,849 to \$115,185 or from \$18.70 to \$24.13 square foot of living area. Based on this evidence, the appellant requested that the improvement assessment be reduced to \$88,569 or \$22.59 per square foot of living area.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$148,656. The subject property has an improvement assessment of \$98,403 or \$25.11 per square foot of living area. In support of its contention of the correct assessment the board of review submitted information on four equity comparables located in the same neighborhood code and same block as the subject. The comparables were improved with two-story class 2-08 dwellings of frame, masonry or frame and masonry exterior construction that range from 3,850 to 4,324 square feet of living area and range in age from 25 to 52 years old. The comparables have a full or partial basement with three comparables having finished area, three comparables have central air conditioning, each comparable has one or two fireplaces and a 2-car to a 3-car garage. The comparables have improvement assessments that ranged from \$109,905 to \$121,527 or from \$26.15 to \$29.76 per square foot of living area. Based on this evidence, the board of review requested that the assessment be confirmed.

### **Conclusion of Law**

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The parties submitted eight suggested comparables for the Board's consideration. The Board gave less weight to the appellants comparables #2 and #4 along with the board of review comparable #4 for the difference in age when compared to the subject. The Board gave less weight to the board of review comparables #1 and #2 for these dwellings have a basement finished area when compared to the subjects partial unfinished basement.

The Board finds that the best evidence of assessment equity is the appellants comparables #1 and #3 along with the board of review comparable #3. These comparables have varying degrees of similarity when compared to the subject in dwelling size, age, and features. These comparables have improvement assessments that range from \$85,849 to \$105,339 or from \$18.70 to \$28.55 per square foot of living area. The subject property has an improvement assessment of \$98,403 or \$25.11 per square foot of living area, which falls within the range established by the best comparables contained in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
