

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Ryan Kollar  
DOCKET NO.: 19-39597.001-R-1  
PARCEL NO.: 09-36-402-015-0000

The parties of record before the Property Tax Appeal Board are Ryan Kollar, the appellant(s), by attorney Salvador Lopez, of Robson & Lopez LLC in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$10,044  
**IMPR.:** \$19,856  
**TOTAL:** \$29,900

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 7,440 square foot parcel of land improved with an approximately 100-year-old, one-story, frame, single-family dwelling. The property is located in Chicago, Jefferson Township, Cook County and is classified as a class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal which estimated the subject's market value as of November 21, 2017 of \$299,000. The appraiser utilized the sales comparison approach to value to estimate the subject's market value. This appraisal discloses purpose of the appraisal is for a purchase transaction and notes that the subject was "not listed on the "MLS." The appellant also submitted a copy of the settlement statement disclosing the subject was purchased on December 15, 2017

for \$285,000. The appellant failed to complete Section IV-Recent Sales Data on the petition. The appellant also failed to disclose if the subject was an owner-occupied residence.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$36,537 which reflects a market value of \$365,370 or \$295.13 per square foot of building area using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%. The board of review also submitted four sales comparables which sold from April 2017 to March 2019 for prices ranging from \$320,000 to \$525,000 or from \$303.03 to \$324.07 per square foot of building area.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The appellant's appraiser utilized the sales comparison approach to value in determining the subject's market value. The Board finds this appraisal to be persuasive because the appraisal discloses that the appraiser inspected the subject, reviewed the property's history, and used similar properties in the sales comparison approach while providing adjustments that were necessary. The Board gives little weight to the sale of the subject as the appellant failed to answer the questions about the sale listed in the petition and the appraisal discloses the subject was not listed in the MLS. Therefore, the Board finds the subject property had a market value of \$299,000 as of the assessment date at issue. Since market value has been established the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
