

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Artec Properties, LLC
DOCKET NO.: 19-42173.001-R-1
PARCEL NO.: 13-22-111-028-0000

The parties of record before the Property Tax Appeal Board are Artec Properties, LLC, the appellant(s), by attorney Jennifer Kanik, of the Law Offices of Terrence Kennedy Jr. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$9,248
IMPR.: \$113,916
TOTAL: \$123,164

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of frame construction with 4,315 square feet of living area. Features of the dwelling include five and one-half baths, a full unfinished basement, and a two-car garage. The dwelling was constructed in 2012. The property has a 5,780 square foot site and is located in Chicago, Jefferson Township, Cook County.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject was sold on December 19, 2019 for \$880,000. This evidence included the warranty deed and the recorder of deeds printout. The appellant's pleadings regarding Section IV- Recent Sale Data was not filled out and incomplete. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$88,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$123,164. The subject's assessment reflects a market value of \$1,231,640 or \$285.43 per square foot of living area, including land when applying a 10% level of assessment as determined by the Cook County Classification Code. In support of the assessment, the board of review submitted three equity comparables and sale data for comparable #3.

The appellant and board of review agreed to have the decision written on the evidence.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds that the sale of the subject in December 2019 does not have the elements of an arm's length transaction. The pleadings and the warranty deed do not confirm that real estate brokers were involved and that the subject was not advertised or exposed for sale on the open market. In addition, the appellant failed to answer all of Section IV-Recent Sale Data regarding the circumstances surrounding the sale of the subject. The evidence submitted including the deed does not disclose the conditions regarding the 2019 sale. Without this information, the Board is unable to determine whether the sale of the subject reflected its fair cash value. The Board finds that the subject's sale is not an arm's length transaction reflective of fair cash value. Therefore, the Board finds that the appellant has not met the burden of providing by a preponderance of the evidence that the subject is overvalued and a no change in the assessment is warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
