

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Hatem Altaher  
DOCKET NO.: 19-42242.001-R-1  
PARCEL NO.: 24-17-214-019-1003

The parties of record before the Property Tax Appeal Board are Hatem Altaher, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$7,214  
**IMPR.:** \$1,119  
**TOTAL:** \$8,333

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a condominium unit located in Oak Lawn, Worth Township, Cook County and is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of appeal. In support of this argument, the appellant included sales information on six individual units within condominium buildings within the subject's neighborhood. These sales sold from June 2015 to November 2019 for prices ranging from \$67,000 to \$109,000 or from \$70.53 to \$114.74 per square foot of building area. The appellant did not disclose on the petition that the subject was owner-occupied.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the subject's assessment of \$8,333. The subject's assessment reflects a market value of \$83,333 or \$87.72 per square foot of building area when using the level of assessment for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted the sales of one unit within the subject's building which sold in 2015 for \$78,000.

### **Conclusion of Law**

The taxpayer contends overvaluation as the basis of the appeal. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

The Board finds the best evidence of market value to be the sale submitted by the appellant and board of review. These sales sold from 2015 to 2019 for prices ranging from \$67,000 to \$109,000 or from \$70.53 to \$114.74 per square foot of building area. In comparison, the subject's assessment reflects a market value of \$83,330 or \$87.72 per square foot of building area which is within the range of the best comparables in the record. The Board finds the appellant failed to show by a preponderance of the evidence that the subject property was overvalued, and a reduction is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
