

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: George Liakopoulos
DOCKET NO.: 19-43397.001-C-1 through 19-43397.004-C-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are George Liakopoulos, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-43397.001-C-1	17-06-204-034-0000	6,906	25,964	\$ 32,870
19-43397.002-C-1	17-06-204-035-0000	9,063	24,259	\$ 33,322
19-43397.003-C-1	17-06-204-042-0000	3,976	106	\$ 4,082
19-43397.004-C-1	17-06-204-043-0000	6,552	174	\$ 6,726

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) after receiving a decision from the Cook County Board of Review. The instant appeal challenges the assessment for tax year 2019. The Property Tax Appeal Board (the "Board") finds that it has jurisdiction over the parties and the subject matter of this appeal.

Findings of Fact

The subject consists of a two-story building of masonry construction with 5,600 square feet of building area. The building is 88 years old. Features of the building include a partial unfinished basement. The property's site is 5,824 square feet, and it is located in West Chicago Township, Cook County. The subject is classified as a class 2-12 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted an appraisal estimating the subject property had a market value of \$770,000 as of January 1, 2018. The appraisal states that the subject's residential units are occupied by

tenants, and, therefore, the subject is not owner-occupied. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$77,000.

The board of review submitted its "Board of Review Notes on Appeal" disclosing that the total assessment for the subject is \$130,947. The subject's assessment reflects a market value of \$1,309,470 when applying the 2019 statutory level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three equity comparables, and three sale comparables. These sale comparables sold from June 2017 to October 2018 for \$1,105,000 to \$3,100,000, or \$243.71 to \$813.23 per square foot of building area, including land.

In rebuttal, the appellant argued that the board of review's evidence should be given no weight in the Board's analysis because it consisted of merely raw sales data.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal, the value of the property must be proven by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales, or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant did meet this burden of proof, and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the appraisal submitted by the appellant. The subject's assessment reflects a market value above the best evidence of market value in the record. The Board finds the subject property had a market value of \$770,000 as of the assessment date at issue. Therefore, based on this record, the Board finds the appellant has proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is warranted. Since market value has been established, the 2019 statutory level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10.00% shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
