

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Navinchandra Patel
DOCKET NO.: 19-43941.001-R-1
PARCEL NO.: 06-05-402-002-0000

The parties of record before the Property Tax Appeal Board are Navinchandra Patel, the appellant(s), by attorney Donald T. Rubin, of Golan Christie Taglia, LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$1,249
IMPR.: \$39,804
TOTAL: \$41,053

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2018 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a two-story, single-family dwelling of frame construction with 3,733 square feet of living area. Features of the home include two and one-half baths, a full unfinished basement, one fireplace, and a three-car garage. The dwelling was constructed in 2005. The property has a 9,995 square foot site and is located in Hoffman Estates, Hanover Township, Cook County.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables. The appellant requested the subject's total assessment be reduced to \$30,862.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$41,053. The subject has a total improvement assessment of

\$39,804 or \$10.66 per square foot of living area. In support of the assessment, the board of review submitted four equity comparables and sale data for comparable #1.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparables # 1 and #4 and the board of review's comparables. These comparables are similar in age, construction, amenities, and location. These comparables had improvement assessments that ranged from \$6.62 to \$11.43 per square foot of living area. The subject's improvement assessment of \$10.66 per square foot of living area falls within the range established by the best comparables in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment is not justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
