

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Justyna Geirsewska
DOCKET NO.: 19-44278.001-R-1
PARCEL NO.: 20-15-409-008-0000

The parties of record before the Property Tax Appeal Board are Justyna Geirsewska, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$4,687
IMPR.: \$13,766
TOTAL: \$18,453

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 3,750 square foot parcel of land improved with a 104-year-old, two-story, masonry, multi-family dwelling, containing 3,172 square feet of living area. The property is located in Chicago, Hyde Park Township, Cook County and is a class 2-11 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant contends overvaluation as the basis of the appeal. In support of its overvaluation argument, appellant submitted sales information for four comparable properties that sold between March 2017 and November of 2019 for prices ranging between \$41.07 to \$50.54 per square foot of living area, including land. The comparable sales properties were multi-family dwellings of masonry construction and contained between 2,796 and 4,719 square feet of living area. Appellant also submitted a copy of the board of review's February 29, 2020, written

decision reflecting an assessed valuation for the subject property of \$18,453. Based on this evidence, appellant requested a reduction in the subject property's assessment to \$13,598.

The board of review submitted its "Board of Review Notes on Appeal" depicting a total assessed valuation of \$18,453, with an improvement assessment of \$13,766. The subject's assessment reflects a market value of \$184,530, or \$58.17 per square foot of living area, including land, when applying the level of assessment for class 2 property of 10.00% under the Cook County Real Property Assessment Classification Ordinance. In support of the current assessment, the board of review submitted four sales comparable properties. Each of the comparables were improved with either a two-story or three-story, multi-family dwelling, of masonry construction. They ranged in living area square footage between 3,042 and 8,880 and sold between April 2017 and August 2018 for prices ranging between \$71.89 and \$95.33 per square foot of living area, including land.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of market value to be appellant's sales comparables #1 and #4 and the board of review's comparable #1. These properties sold between 2017 and 2018 for prices ranging between \$41.07 to \$95.33 per square foot of living area, including land. They were most similar to the subject property in living area square footage and/or were closest to the subject property in proximity. The subject's current assessment of \$58.17 per square foot of living area, including land, reflects a market value within the market value established by the best comparables in this record. Based on this record, the Board finds appellant has not proven, by a preponderance of the evidence, that the subject is overvalued, and that a reduction in the subject's assessment is not warranted.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
