

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Rakael Menor  
DOCKET NO.: 19-44388.001-R-1  
PARCEL NO.: 12-25-229-021-0000

The parties of record before the Property Tax Appeal Board are Rakael Menor, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

**LAND:** \$3,712  
**IMPR.:** \$17,288  
**TOTAL:** \$21,000

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

Appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of a 1.5-story dwelling of masonry construction with 1,487 square feet of living area. The dwelling was 96 years old. Features of the home include a full basement, central air conditioning, and a 2-car garage. The property has a 4,125 square foot site and is located in Elmwood Park, Leyden Township, Cook County. The subject is classified as a class 2-03 property under the Cook County Real Property Assessment Classification Ordinance.

Appellant's appeal is based on overvaluation. In support of this argument, appellant submitted evidence disclosing the subject property was purchased on August 24, 2016, for a price of \$210,000. In Section IV of its appeal form, appellant indicates the subject property was sold using a realtor and was advertised for sale on the multiple listing service for a period of 6 days. Appellant submitted a copy of the MLS listing, trustee's deed, and Direct Endorsement Approval

for a HUD-Insured Mortgage. Based on this evidence, appellant requested a reduction in the subject's assessment to \$21,000, to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$23,311. The subject's assessment reflects a market value of \$233,110 or \$156.77 per square foot of living area, land included, when using the level of assessments for class 2 property of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment the board of review submitted information on four comparable properties. The comparables were improved with either a 1-story or a 1.5-story, single-family dwelling of masonry construction, with a range between 1,093 and 1,504 of living area square feet. The board of review did not provide any sales information for its comparable properties.

### **Conclusion of Law**

Appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant *did meet* this burden of proof and a reduction in the subject's assessment *is* warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in August 2016 for a price of \$210,000. Appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the appeal disclosing the parties to the transaction were not related, the property was sold using a Realtor, and the property had been advertised on the open market with the Multiple Listing Service for 6 days. In further support of the transaction the appellant submitted a copy of the MLS listing, trustee's deed, and Direct Endorsement Approval for a HUD-Insured Mortgage. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value or provide any comparable sales. Based on this record the Board finds the subject property had a market value of \$210,000 as of January 1, 2019. Since market value has been determined the level of assessments for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10% shall apply. 86 Ill.Admin.Code §1910.50(c)(2). A reduction in the subject's assessment commensurate with the appellant's request is appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
