

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Michael Olzweski Property Holdings LLC
DOCKET NO.: 19-44416.001-R-1
PARCEL NO.: 25-02-411-010-0000

The parties of record before the Property Tax Appeal Board are Michael Olzweski Property Holdings LLC, the appellant(s), by attorney George N. Reveliotis, of Reveliotis Law, P.C. in Park Ridge; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$ 1,031
IMPR.: \$ 2,319
TOTAL: \$ 3,350

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is a one-story, masonry, single-family dwelling. It contains 900 square feet of gross living area and is 91 years old. The property is situated on a 4,166 square foot site. It is in Hyde Park Township, Cook County and is classified as class 2 property under the Cook County Real Property Assessment Classification Ordinance. The appellant indicated that the subject is not owner-occupied.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted evidence disclosing the subject property was transferred to the appellant from Triple M. Mazel LLC on March 16, 2018 for a cash price of \$33,500. In support the appellant provided the closing statement, sale contract, warranty deed, and Multiple Listing Service printout. The appellant also indicated the parties to the transaction were unrelated to each other, the transaction involved real estate brokers, the property was advertised for sale on the open market and the sale

was not pursuant to a short sale or foreclosure action. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its Notes on Appeal disclosing the subject's current assessed value of \$12,177. The subject's assessment reflects a market value of \$121,770, or \$135.30 per square foot of living area, including land, when applying the statutory level of assessment of 10% under the Cook County Real Property Assessment Classification Ordinance.

In support of its contention of the correct assessment, the board of review submitted information on three sale comparables, all of which reflected equity data. The comparables sold between March 2017 and November 2018 for sale prices ranging from \$149.40 to \$186.90 per square foot, including land. The grid sheet also reflected the sale of the subject of in March 2018 for \$33,500, or \$37.22 per square foot, including land.

Neither party submitted written rebuttal.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in March 2018 for a price of \$33,500. The appellant proved the transaction had elements of an arm's-length transaction through the completion of Section IV - Recent Sale Data of the Property Tax Appeal Board's residential appeal form. It disclosed that the parties to the transaction were not related, the property was sold using realtors, and the property had been advertised on the open market through the Multiple Listing Service. The appellant also submitted evidence in support of the sale including a copy of the closing statement, sale contract and Multiple Listing Service printout. The appellant also provided evidence that this was not a compulsory sale.

Based on this record the Board finds the subject property had a market value of \$33,500 as of January 1, 2019. Since market value has been determined, the Cook County Real Property Assessment Classification Ordinance level of assessment for class 2 property of 10% shall apply. A reduction in the subject's assessment commensurate with the appellant's request is therefore appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
