

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Mary Briske
DOCKET NO.: 19-44502.001-R-1
PARCEL NO.: 32-08-316-012-0000

The parties of record before the Property Tax Appeal Board are Mary Briske, the appellant(s); and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the Cook County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$2,700
IMPR.: \$3,900
TOTAL: \$6,600

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of an approximately 58-year old, multi-level, single-family dwelling of frame and masonry construction. Features of the home include: a partial basement, central air conditioning as well as a two and one-half car garage. The property has a 6,000 square foot site and is located in Bloom Township, Cook County. The subject is classified as a class 2-34 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends overvaluation as the basis of the appeal and submitted an appraisal of the subject. The subject property was the subject matter of an appeal before the Property Tax Appeal Board the prior year under Docket Number 18-42134.001-R-1. In that appeal the Property Tax Appeal Board issued a decision lowering the assessment of the subject property to \$6,600 based an appraisal.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$9,661. The subject's assessment reflects a market value of \$96,610 when applying the level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%.

In support of its contention of the correct assessment, the board of review submitted information on three comparable sales. The properties sold from November 2017 to October 2019 for unadjusted prices that ranged from \$1.00 to \$121.95 per square foot of living area.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

However, the subject property was under appeal for the prior year. The Property Tax Appeal Board finds that the assessment as established by the Board for the 2018 tax year should be carried forward to the tax year at issue subject only to equalization as provided by section 16-185 of the Property Tax Code.

Section 16-185 of the Property Tax Code (35 ILCS 200/16-185) states in part:

If the Property Tax Appeal Board renders a decision lowering the assessment of a particular parcel on which a residence occupied by the owner is situated, such reduced assessment, subject to equalization, shall remain in effect for the remainder of the general assessment period as provided in Sections 9-215 through 9-225, unless that parcel is subsequently sold in an arm's length transaction establishing a fair cash value for the parcel that is different from the fair cash value on which the Board's assessment is based, or unless the decision of the Property Tax Appeal Board is reversed or modified upon review.

The Property Tax Appeal Board issued a decision reducing the subject's assessment for the 2018 tax year. The *2017*, *2018*, and *2019* assessment years are within the same general assessment period. The record contains no evidence indicating the subject property sold in an arm's length transaction after the Board's decision or that the decision of the Property Tax Appeal Board has been reversed or modified upon review. The board of review did not object to the subject's occupancy. For these reasons the Property Tax Appeal Board finds that a reduction in the subject's assessment is warranted to reflect the assessment as established in the Board's prior year's decision plus the application of an equalization factor, if any.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
