

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: UP Opportunity Homes, LLC
DOCKET NO.: 19-45148.001-R-1
PARCEL NO.: 17-09-120-020-0000

The parties of record before the Property Tax Appeal Board are UP Opportunity Homes, LLC, the appellant(s), by attorney Ciarra Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **a reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$36,126
IMPR.: \$103,874
TOTAL: \$140,000

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 13-year-old, three-story, building of masonry construction containing 6,404 square feet of gross building area. Features of the subject include a slab foundation, central air conditioning, one fireplace and a two-car garage. The property is situated on 2,676 square feet of land in North Chicago Township, Cook County. The subject is classified as a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted a settlement statement that disclosed the subject property was purchased on October 8, 2019, for \$1,400,000. The appellant also submitted a real estate contract. The appellant

provided information in Section IV–Recent Sale Data of the Residential Appeal that the subject was not transferred between related parties; and was sold by a realtor. Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price when applying the 2019 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. The appellant also submitted a brief in which it argued the subject's market value was reduced due to COVID-19.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$190,000. The subject's assessment reflects a market value of \$1,900,000 when applying the 2019 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance. In support of its contention of the correct assessment, the board of review submitted information on four suggested comparable sales.

Conclusion of Law

As for the appellant's COVID-19 relief argument, the appellant did not submit reliable evidence of whether the subject property merits an assessment reduction due to COVID-19. The Board considers an assessment appeal without reference to any assumptions and conclusions made by another agency. "Under the principles of a de novo proceeding, the Property Tax Appeal Board shall not presume the action of the board of review or the assessment of any local assessing officer to be correct." 86 Ill.Admin.Code §1910.63(a). "Under the scheme created by the PTAB statute, an appeal to the PTAB does not afford taxpayers the right to request that a higher authority rule upon the correctness of a lower authority's findings. Rather, it affords taxpayers and taxing bodies a 'second bite at the apple,' *i.e.*, an opportunity to have assessments recomputed by a reviewing authority whose power is not circumscribed by any previous assessment." LaSalle Partners v. Illinois Property Tax Appeal Board, 269 Ill.App.3d 621, 629 (2nd Dist. 1995).

Moreover, the Board has no statutory authority to reduce assessments because of the COVID-19 pandemic. As an administrative agency, the Property Tax Appeal Board only has the authority that the General Assembly confers on it by statute. Spiel v. Property Tax Appeal Board, 309 Ill.App.3d 373, 378 (2nd Dist. 1999). To the extent that the Board acts outside its statutory authority, it acts without jurisdiction. See Board of Education of the City of Chicago v. Board of Trustees of the Public School Teachers Pension & Retirement Fund of Chicago, 395 Ill.App.3d 735, 739–40 (1st Dist. 2009).

The appellant failed to present reliable evidence to support the argument that COVID-19 affected the value of the subject. Consequently, it is impossible to conclude the subject property was not uniformly assessed due to COVID-19 or its market value adversely affected to any extent. The Board finds the appellant's request for an assessment reduction based on a purported market effect of COVID-19 is without merit.

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds the best evidence of market value to be the purchase of the subject property in October 2019 for \$1,400,000. The appellant provided information in Section IV-Recent Sale Data of the appeal that the parties to the transaction were not related; and that the property was sold using a Realtor. In further support of the transaction, the appellant submitted a copy of the sales contract and the settlement statement. There was no evidence the subject was sold short or from a foreclosure. The Board finds the purchase price was below the market value reflected by the assessment. Based on this record, the Board finds the subject property had a market value of \$1,400,000 as of January 1, 2019, and that a reduction in the subject's assessment is justified. Since market value has been determined, the 2019 level of assessment of 10.00% for Class 2 property under the Cook County Real Property Assessment Classification Ordinance shall apply.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
