

**FINAL ADMINISTRATIVE DECISION  
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Jerome Saxon  
DOCKET NO.: 19-45282.001-R-1 through 19-45282.002-R-1  
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Jerome Saxon, the appellant(s), by attorney Donald T. Rubin, of Golan Christie Taglia LLP in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **A Reduction** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

<b>DOCKET NO</b>	<b>PARCEL NUMBER</b>	<b>LAND</b>	<b>IMPRVMT</b>	<b>TOTAL</b>
19-45282.001-R-1	17-10-109-024-1001	1,777	136,444	\$138,221
19-45282.002-R-1	17-10-109-023-1043	1,559	7,720	\$9,279

Subject only to the State multiplier as applicable.

**Statement of Jurisdiction**

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

**Findings of Fact**

The subject property consists of two PINs as referenced above. The appellant only requested a reduction for PIN 17-10-109-024-1001. The subject property is a residential condominium unit with a 1.2000% ownership interest in the common elements. The subject consists of a condominium unit with 2,221 square feet of living area. It is situated in an 89-unit seven years old, multi-story building of masonry construction. Features of the unit include central air conditioning and a parking unit. The property has a 12,011 square foot site and is located in Chicago, North Chicago Township, Cook County. The subject is classified as a class 2-99 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant's appeal is based on overvaluation. In support of this argument, the appellant submitted answers to Section IV – Recent Sale Data of their appeal, a condominium purchase

agreement and ALTA Settlement Statement disclosing the subject property was purchased on June 21, 2018, for a price of \$1,475,000.

Based on this evidence, the appellant requested a reduction in the subject's assessment to reflect the purchase price.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$159,792. The subject's assessment reflects a market value of \$1,597,920 or \$719.46 per square foot of living area, land included, when using the Cook County Real Estate Classification Ordinance level of assessment for class 2 property of 10%.

In support of its contention of the correct assessment, the board of review submitted a condominium analysis with information on 63 suggested comparable sales in the building. The sales occurred between January 2016 and October 2019. They sold for a total consideration of \$108,005,683. The board of review disclosed the units sold consisted of 65.76% of all units in the building. The result yielded a full value of the property at \$164,242,218. Since the subject comprised 1.2000% of all the units in the building, the board of review suggested the market value of the subject to be \$1,970,906.

The matter was set for a hearing before Administrative Law Judge for the Property Tax Appeal Board on June 12, 2023. Prior to hearing the parties entered into a written agreement to waive the hearing and have the matter decided on the evidence that had been submitted.

### **Conclusion of Law**

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill. Admin. Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale of it, comparable sales, or construction costs. 86 Ill. Admin. Code §1910.65(c). The Board finds the appellant met this burden of proof and a reduction in the subject's assessment is warranted.

The Board finds that the best evidence of market value is the purchase of the subject property on June 21, 2018, for a price of \$1,475,000. The appellant provided evidence demonstrating the sale had the elements of an arm's length transaction. The appellant completed Section IV - Recent Sale Data of the PTAB residential appeal form and disclosed that the parties to the transaction were not related, the property was sold using a realtor, the property had been advertised on the open market through the Multiple Listing Service. In further support of the transaction the appellant submitted a copy of the settlement statement. The Board finds the purchase price is below the market value reflected by the assessment. The Board finds the board of review did not present any evidence to challenge the arm's length nature of the transaction or to refute the contention that the purchase price was reflective of market value. The Board concludes that the board of review did not refute the appellant's contention that the purchase price of the subject property was reflective of market value. Based on this record the Board finds the subject property had a market value of \$1,475,000 as of January 1, 2019. Since market value has been determined, the Cook County Real Property Assessment Classification Ordinance level

Docket No: 19-45282.001-R-1 through 19-45282.002-R-1

of assessment for class 2 property of 10% shall apply. A reduction in the subject's assessment commensurate with the appellant's request is therefore appropriate.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
