

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Sam Pindrik
DOCKET NO.: 19-45443.001-R-1
PARCEL NO.: 03-18-313-016-0000

The parties of record before the Property Tax Appeal Board are Sam Pindrik, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$6,100
IMPR.: \$36,091
TOTAL: \$42,191

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 40-year-old, two-story, single-family dwelling of frame and masonry construction with 2,520 square feet of living area. The dwelling features include: a partial basement, air conditioning, one fireplace and a two-car garage. The property has a 9,760 square foot site and is in Wheeling Township, Cook County. The subject is classified as a class 2-78, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located within one mile from the subject. They are improved with a frame and masonry, single-family dwelling that ranged in age from 33 to 47 years and in size from 2,604 to 2,888 square feet of living area. The

improvement assessments ranged from \$12.80 to \$13.44 per square foot. Amenities included: a full or partial basement, air conditioning and a two-car garage.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$42,191. The subject property has an improvement assessment of \$36,091 or \$14.32 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, located on the subject's block. They are improved with a 40-year-old, frame and masonry, two-story, single-family dwelling. The improvements ranged in size from 2,112 to 2,520 square feet of living area and in improvement assessments from \$14.32 to \$16.89 per square foot. Amenities included: a partial basement, air conditioning, one fireplace and a two-car garage.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparable #3 as well as the board of review's comparables #2 and #4*. These three comparables contained a two-story, frame and masonry, single-family dwelling. The improvements ranged in age from 40 to 47 years and in size from 2,500 to 2,604 square feet. These comparables had improvement assessments that ranged from \$13.16 to \$14.45 per square foot of living area. The subject's improvement assessment of \$14.32 per square foot of living area falls within the range established by the best comparables in this record.

Based on this record and after making pertinent adjustments, the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
