

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Frank Riordan
DOCKET NO.: 19-45457.001-R-1
PARCEL NO.: 14-32-112-012-0000

The parties of record before the Property Tax Appeal Board are Frank Riordan, the appellant(s), by attorney Noah J. Schmidt, of Schmidt Salzman & Moran, Ltd. in Chicago; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **no change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$31,779
IMPR.: \$156,132
TOTAL: \$187,911

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property is improved with a 12-year-old, three-story, building of masonry construction containing 3,475 square feet of gross building area. Features of the subject include a full finished basement, central air conditioning, three fireplaces and a two-car garage. The property is situated on 2,889 square feet of land in North Chicago Township, Cook County. The subject is a Class 2 property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on five suggested equity comparable properties.

The appellant also submitted a brief in which it argued the subject's market value was reduced due to COVID-19.

The board of review submitted its Board of Review Notes on Appeal disclosing the total assessment for the subject of \$187,911. The subject property had an improvement assessment of \$156,132, or \$44.93 per square foot of gross building area. In support of its contention of the correct assessment, the board of review submitted information on four suggested equity comparable properties.

Conclusion of Law

The appellant contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question and recommended not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparable properties to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant did not meet this burden of proof and a reduction in the subject's assessment is not warranted.

The Board finds the best evidence of assessment equity to be the appellant's comparable(s) #2, #3, #4 and #5, and the board of review's comparable(s) #1, #2 and #4. These comparable properties were most similar with the subject and had improvement assessments that ranged from \$34.75 to \$47.27 per square foot of living area. The subject's improvement assessment of \$44.93 per square foot of gross building area falls within the range established by the best comparable properties in this record. Based on this record, the Board finds the appellant did not demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and holds that a reduction in the subject's assessment is not justified.

As for the appellant's COVID-19 relief argument, the appellant did not submit reliable evidence of whether the subject property merits an assessment reduction due to COVID-19. The Board considers an assessment appeal without reference to any assumptions and conclusions made by another agency. "Under the principles of a de novo proceeding, the Property Tax Appeal Board shall not presume the action of the board of review or the assessment of any local assessing officer to be correct." 86 Ill.Admin.Code §1910.63(a). "Under the scheme created by the PTAB statute, an appeal to the PTAB does not afford taxpayers the right to request that a higher authority rule upon the correctness of a lower authority's findings. Rather, it affords taxpayers and taxing bodies a 'second bite at the apple,' *i.e.*, an opportunity to have assessments recomputed by a reviewing authority whose power is not circumscribed by any previous assessment." LaSalle Partners v. Illinois Property Tax Appeal Board, 269 Ill.App.3d 621, 629 (2nd Dist. 1995).

Moreover, the Board has no statutory authority to reduce assessments because of the COVID-19 pandemic. As an administrative agency, the Property Tax Appeal Board only has the authority

that the General Assembly confers on it by statute. Spiel v. Property Tax Appeal Board, 309 Ill.App.3d 373, 378 (2nd Dist. 1999). To the extent that the Board acts outside its statutory authority, it acts without jurisdiction. See Board of Education of the City of Chicago v. Board of Trustees of the Public School Teachers Pension & Retirement Fund of Chicago, 395 Ill.App.3d 735, 739–40 (1st Dist. 2009).

The appellant failed to present reliable evidence to support the argument that COVID-19 affected the value of the subject. Consequently, it is impossible to conclude the subject property was not uniformly assessed due to COVID-19 or its market value adversely affected to any extent. The Board finds the appellant's request for an assessment reduction based on a purported market effect of COVID-19 is without merit.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
