

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Neil Wahlgren
DOCKET NO.: 19-45609.001-R-1
PARCEL NO.: 03-25-306-024-0000

The parties of record before the Property Tax Appeal Board are Neil Wahlgren, the appellant; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

LAND: \$5,307
IMPR.: \$34,802
TOTAL: \$40,109

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 51-year-old, two-story, single-family dwelling of frame construction with 2,520 square feet of living area. The dwelling features include: a partial basement, air conditioning and a two-car garage. The property has a 9,230 square foot site and is in Wheeling Township, Cook County. The subject is classified as a class 2-78, residential property under the Cook County Real Property Assessment Classification Ordinance.

The appellant contends assessment inequity as the basis of the appeal. In support of this argument, the appellant submitted information on four equity comparables located from one block to under one mile from the subject. They are improved with a frame dwelling that ranged in age from 51 to 54 years and in size from 2,385 to 2,898 square feet of living area. The improvement assessments ranged from \$12.19 to \$12.40 per square foot.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$40,109. The subject property has an improvement assessment of \$34,802 or \$13.81 per square foot of living area. In support of its contention of the correct assessment, the board of review submitted information on four equity comparables, located either on the subject's block or within a two-block radius of the subject. They are improved with a frame, two-story, single-family dwelling that ranged in age from 51 to 55 years and in size from 2,284 to 2,464 square feet of living area. The improvement assessments ranged from \$14.18 to \$14.99 per square foot.

Conclusion of Law

The taxpayer contends assessment inequity as the basis of the appeal. When unequal treatment in the assessment process is the basis of the appeal, the inequity of the assessments must be proved by clear and convincing evidence. 86 Ill.Admin.Code §1910.63(e). Proof of unequal treatment in the assessment process should consist of documentation of the assessments for the assessment year in question of not less than three comparable properties showing the similarity, proximity and lack of distinguishing characteristics of the assessment comparables to the subject property. 86 Ill.Admin.Code §1910.65(b). The Board finds the appellant *did not meet* this burden of proof and a reduction in the subject's assessment *is not* warranted.

The Board finds the best evidence of assessment equity to be *appellant's comparable #4 as well as the board of review's comparables #1 and #4*. These three comparables contained a two-story, frame, single-family dwelling and were located within a two-block radius of the subject. The improvements ranged in age from 51 to 53 years and in size from 2,295 to 2,464 square feet. These comparables had improvement assessments that ranged from \$12.40 to \$14.27 per square foot of living area. The subject's improvement assessment of \$13.81 per square foot of living area falls within the range established by the best comparables in this record.

Based on this record and after making pertinent adjustments, the Board finds the appellant *did not* demonstrate with clear and convincing evidence that the subject's improvement was inequitably assessed and a reduction in the subject's assessment *is not* justified.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
