

**FINAL ADMINISTRATIVE DECISION
ILLINOIS PROPERTY TAX APPEAL BOARD**

APPELLANT: Steve Arabelovic
DOCKET NO.: 19-46197.001-R-1 through 19-46197.002-R-1
PARCEL NO.: See Below

The parties of record before the Property Tax Appeal Board are Steve Arabelovic, the appellant(s), by attorney Ellen G. Berkshire, of Verros Berkshire, PC in Oakbrook Terrace; and the Cook County Board of Review.

Based on the facts and exhibits presented in this matter, the Property Tax Appeal Board hereby finds **No Change** in the assessment of the property as established by the **Cook** County Board of Review is warranted. The correct assessed valuation of the property is:

DOCKET NO	PARCEL NUMBER	LAND	IMPRVMT	TOTAL
19-46197.001-R-1	10-21-332-048-0000	3,833	27,708	\$31,541
19-46197.002-R-1	10-21-332-066-0000	460	0	\$460

Subject only to the State multiplier as applicable.

Statement of Jurisdiction

The appellant timely filed the appeal from a decision of the Cook County Board of Review pursuant to section 16-160 of the Property Tax Code (35 ILCS 200/16-160) challenging the assessment for the 2019 tax year. The Property Tax Appeal Board finds that it has jurisdiction over the parties and the subject matter of the appeal.

Findings of Fact

The subject property consists of a 69 year old, two-story, single-family dwelling of masonry construction with 1,349 square feet of living area. Features of the dwelling include two baths, a full unfinished basement, a one-car garage. The property has a 4,792 square foot site and is located in Niles Township, Cook County. The subject is a class 2-05 property under the Cook County Real Property Assessment Classification Ordinance (hereinafter "Ordinance").

The appellant contends overvaluation as the basis of the appeal. In support of this argument, the appellant submitted evidence showing that the subject sold in March 2017 for \$225,600. This evidence included copies of the settlement statement and interior photographs of the subject. Section IV Recent Sale Data of the appeal form confirmed: the sale date; price; the transfer was not between family or related corporations; the subject was listed on the MLS with a realtor for 24 days; the seller's mortgage was not assumed; and it was an REO sale. In support, the

appellant submitted a copy of the real estate contract. Based on this evidence, the appellant requested a reduction in the subject's assessment to \$22,560.

The board of review submitted its "Board of Review Notes on Appeal" disclosing the total assessment for the subject of \$31,541. The subject's assessment reflects a market value of \$315,410 or \$162.16 per square foot of living area, including land when applying the 2019 level of assessment for class 2 property under the Cook County Real Property Assessment Classification Ordinance of 10%. In support, the board of review four sale comparables and confirmed the sale of the subject in March 2017 for \$222,351.

Conclusion of Law

The appellant contends the market value of the subject property is not accurately reflected in its assessed valuation. When market value is the basis of the appeal the value of the property must be proved by a preponderance of the evidence. 86 Ill.Admin.Code §1910.63(e). Proof of market value may consist of an appraisal of the subject property, a recent sale, comparable sales or construction costs. 86 Ill.Admin.Code §1910.65(c).

In addressing the appellant's market value argument, the Board finds that the sale of the subject in March 2017 for \$225,600 is a "compulsory sale." The appellant's brief states that the subject was an REO sale. A "compulsory sale" is defined as:

- (i) the sale of real estate for less than the amount owed to the mortgage lender or mortgagor, if the lender or mortgagor has agreed to the sale, commonly referred to as a "short sale" and
- (ii) the first sale of real estate owned by a financial institution as a result of a judgment of foreclosure, transfer pursuant to a deed in lieu of foreclosure, or consent judgment, occurring after the foreclosure proceeding is complete.

35 ILCS 200/1-23. Real property in Illinois must be assessed at its fair cash value, which can only be estimated absent any compulsion on either party.

Illinois law requires that all real property be valued at its fair cash value, estimated at the price it would bring at a fair voluntary sale where the owner is ready, willing, and able to sell but not compelled to do so, and the buyer is likewise ready, willing, and able to buy, but is not forced to do so.

Board of Educ. of Meridian Community Unit School Dist. No. 223 v. Illinois Property Tax Appeal Board, 961 N.E.2d 794, 802, 356 Ill.Dec. 405, 413 (2d Dist. 2011) citing Chrysler Corp. v. Illinois Property Tax Appeal Board, 69 Ill.App.3d 207, 211 387 N.E.2d 351 (2d Dist. 1979)).

However, the Illinois General Assembly recently provided very clear guidance for the Board with regards to compulsory sales. Section 16-183 of the Illinois Property Tax Code states as follows:

The Property Tax Appeal Board shall consider compulsory sales of the comparable properties for the purpose of revising and correcting assessments,

including those compulsory sales of comparable properties submitted by the taxpayer.

35 ILCS 200/16-183. Therefore, the Board is statutorily required to consider the compulsory sale of comparable properties submitted by the parties to revise and/or correct the subject's assessment.

The evidence submitted disclosed the subject's sale was a compulsory sale. In determining the fair market value of the subject property, the Board looks to the evidence presented by the parties. The board of review submitted four sale comparables. The appellant did not submit any market data/sale comparables to support the subject's sale price. Thus, the Board finds the board of review's comparables set the range of market value for the subject. The comparables sold from January 2018 to April 2018 for prices ranging from \$313,000 to \$377,000 or from \$252.17 to \$290.44 per square foot of living area, including land. These comparables are similar in age, size, construction, and location. The subject's assessment reflects a market value of \$162.16 per square foot living area, including land which is below the range established by the best comparable sales in this record. Accordingly, in determining the fair market value of the subject property, the Board finds that the appellant did not submit sufficient evidence to show the subject was overvalued. Therefore, the Board finds that the appellant has not met its burden by a preponderance of the evidence and that the subject does not warrant a reduction based upon the market data submitted into evidence.

This is a final administrative decision of the Property Tax Appeal Board which is subject to review in the Circuit Court or Appellate Court under the provisions of the Administrative Review Law (735 ILCS 5/3-101 et seq.) and section 16-195 of the Property Tax Code. Pursuant to Section 1910.50(d) of the rules of the Property Tax Appeal Board (86 Ill.Admin.Code §1910.50(d)) the proceeding before the Property Tax Appeal Board is terminated when the decision is rendered. The Property Tax Appeal Board does not require any motion or request for reconsideration.
